Ohio Regional Service Committee

Quarterly Meeting Minutes

Let me start with our MZF, The Tri-State Reg. Has joined our Zone, we have welcomed them, they represent a large part of the Pittsburg areas, so as a zone we are moving ahead with our Primary Purpose, and the MRSLDNA is on schedule for the first Zonal Brick and Mortar event: post Pandemic, also moving right along is the MZSSNA in the 4th quarter of this year as well, please visit our Reg web for more info. As members of ORSCNA we have the ability to forward potential candidates to the Human Resource Panel (HRP), for consideration for nomination at the World Service Conference. The process is known as the "RBZ" process and the positions for consideration are WSC Cofacilitator, Human Resource Panel member, and World Board member. So if you know of someone looking to broaden their Base, please bring their info to the Region and we can decide who to nominate.

I want to remind everyone about a couple of surveys that are posted at na.org/survey through the end of May. Please take the time to fill them out and tell your friends.

1st. The Relative Role of Project Components in NA is a survey put together by researchers who believe in NA and have used research articles to highlight the program's effectiveness to other professionals. This kind of cooperation helps addicts find Narcotics Anonymous.

2nd. Virtual NA Meetings: Connecting to the Service System (Spanish link, Polish link) is focused on how virtual meetings are connecting to the rest of the NA Fellowship, including NA service delivery. Among other questions, the survey asks if you believe that virtual meetings meet the criteria to be considered NA groups. Responses will help to frame a conversation for the next World Service Conference

And don't forget:

Service Day Web Meeting

NAWS is holding a web meeting 1 May, which is Service Day, 11am-1pm, Pacific Daylight Time, on Fellowship Development around the world. You don't want to miss this one. We will send a link when it's closer to the day, and the link will be posted to na.org/webinar.

SPAD

The Spiritual Principle a Day Book Project has posted the last set of spiritual principles for members to write on, and the second-to-last set of entries to review and input at na.org/spad. Anyone can contribute to the project. NA literature is written by addicts like you.

Contributions

NAWS says Thank you to everyone who has helped us reach a monthly total of more than \$20,000 in recurring contributions. We still have a long way to go to meet our financial goals, but we appreciate every step in that direction. We have posted a QR code that points to na.org/contribute for groups to use on-screen if they wish. You can find it under the World Service Contributions heading of the On-Screen Resources section at na.org/virtual.

Secretary:

Good morning, Family,

Ohio Regional Service Committee Quarterly Meeting Minutes

I hope everyone and those they love are healthy and safe in these scary, crazy times! A pandemic and our current social issues make empathy, humility, and gratitude a lot more familiar in my life!

I am trying to set up to use my gmail account because it is so much better than what we currently use. I got the addresses set up and messages forwarded from the other app but haven't figured out how to set up sending from gmail using the Secretary account. As with many other things, it seems simple but even with help, I haven't been able to get it to work (YET).

I made a couple of fill-in forms and I'm hoping they work to make it easier for everyone. I have not sent them to the webmaster to post yet, I wanted to get some feedback from our members and make any changes before doing so. I just learned how to make the forms, so I hope they work. PLEASE let me know if they are OK, or if I need to make any changes so I can fix them and send them to the Webmaster. If they work, and if anyone has a need, I would be happy to create other forms.

Thank you to our PUASCNA RCM for setting up the meeting and to Maddie, Dave and everyone else who made this service work possible. I'm not able to be there physically today but have been looking forward to seeing everyone and hearing what's going on in the Ohio Region!

Brace yourselves, this is probably more than I've ever put in a report before!

1. I have had several requests for contact information recently and I'm not sure what was done in the past about sharing information. I am considering giving our service body members the current contact information but wanted to ask if this is OK with everyone. I think phone numbers and email addresses are all that's needed. Please let me know what you think.
2. Also, I created a motion and nomination log. I'll update it after this meeting and send it to anyone who wants a copy.
3. I am unsure about our records. In the past, as Secretary, I had boxes of records to keep with me. I didn't get any of that when I started as Secretary this time. As far as I know, we haven't made an official archive of our service body business in the last few years other than the minutes posted on the website. I have information that is only on my computer and in notes and files others have kept. Maybe I haven't done the right thing, I need to check the guidelines and will do so before our meeting. Should I make a flash drive to be stored somewhere, or is there a place where we could store a digital record available to others such as the administrative body?
4. As part of the Miami Valley Area we have a (sometimes) yearly inventory of how we are serving the groups. Would that be something we could set up and send to our Areas to see if there are things we could do better to support them? I would think this could be an ad hoc committee.
5. As usual, I have questions! I would also like to propose a review of our guidelines to make sure they accurately reflect what we're doing and if anything needs to change. Long, long ago, in the Miami Valley and Five Rivers Areas, we tried to do this (yearly?) and an ad hoc committee would be formed to review and report proposed changes to the Regional Service Body that would eventually go back to the groups for approval. I'll talk to Nonya about this later.

I'm sure you are thinking, "Martha, do you have too much time on your hands?" or OMG, what is wrong with her? Just saying, these are things that we might want to consider (or not). Should I bring this up in new business, tomorrow?

Finally, I am extremely grateful to my Higher Power and my NA family for all they have done to help me stay clean and find this new way of life. On April first I celebrated 15 years of clean time and recovery. As with so many other addicts, I didn't know if anything could help me stop using but I'm so, so, so grateful for this program! It's not just

Ohio Regional Service Committee Quarterly Meeting Minutes

saying clean (which is HUGE) but learning how to live that is a miracle. I found a place where I felt others understood and cared about me like no one else could and through their love and support, I am a responsible, productive, loving member of society today. I love NA and could never do enough to support our fellowship in hopes that others will find the freedom I enjoy. My life is full and rich today and it is all due to my Higher Power and those who he has brought into my life. Thank you to everyone!

Much love to you all,
Martha B.

MVASCNA RCM (Miami Valley Area)

Hello everyone, I'm a grateful addict named Kim, serving the MVASCNA Area.

I would like to start out by remembering a fellow member Ron P. He lost his battle to Covid last month. Our area has suffered a great loss with his passing. he was such a strong voice in our in our NA community with decades of clean time & helped so many of us along his journey. Ron got clean at the age of 18 and loved this fellowship. He is gone to soon at the age of 54. He will be held forever in our hearts & will truly be missed.

With that I'll get back to business at hand:

Our area holds meetings in Miami, Shelby and Darke counties. Of those three counties we hold 24 meetings, our area service committee meets every third Sunday at 2pm. All of our meetings have opened up in person.

Our attendance at our area has been up and down. Some months we have 14 to 16 GSR's, some we have 8-9. Donations are keeping us afloat, with that being said, we are unable to donate to our region at this time.

Ohio Regional Service Committee Quarterly Meeting Minutes

Our H&I Committee gets literature to all 3 County jails, but only has only gained access to the Miami county jail. Shelby and Dark county jails have yet to allow our subcommittee in, partly to do with Covid, partly to do with lack of commitment.

We held a learning day in February and had a great turn out.

Our PR chair has printed business cards with our website on them, since paper schedules were being updated so often & our website can be updated daily.

Thank goodness Spring has sprung. our activities committee is eagerly planning a function for our members. More will be revealed.

In loving service Kim K.

NWOASCNA RCM (North West Ohio Area)

I'm an addict named Terry G.,

This Area covers Allen, Auglaize, Hardin, Vanwert, Hancock, and Paulding counties. We have nineteen groups with twenty-two meetings open and three of those groups have formed hybrid meetings on a Zoom platform (meaning both in person and online meetings). You can find our most current printable schedules at NWOASC.ORG, ID#'s & passwords are included. Our Area now has a virtual meeting as well: Id#793 381 0375 password:1953. Third Sundays 4:30pm

There is at least one H&I panel open again with two or more panel members chairing every other Tuesday evening. We did have an Area meeting last month, we meet every third Sunday of the month at 4:30pm at 616 S. Collett St. Lima, Ohio 45801 upstairs. Our Area has seven open positions: Chairperson, Secretary, RCM alt., H&I Chairperson, Public Relations, Fellowship Development, and Literature Chairpersons.

We now have our new phone line set up and are receiving calls from addicts with questions occasionally. The new number is (419)909-0690, please refer to our website for further information on the Hopeline at NWOASC.ORG. We have no donations at this time.

We have an event coming up on May the 15th called Relationships in recovery/Prom night. A flyer is available on our website and will be attached to this report.

In loving service,

Terry G.

PUASCNA RCM (Phoenix United Area)

Hello Family, I'm an addict called Nichole,

I would like to apologize to the committee and all members for the delays and complications along the way with PUASCNA hosting regional this quarter. I would like to thank you all for your patience and support during this time, as well as the members who have reached out to help assist our area with suggestions and guidance.

PUASCNA is doing great! All of our meetings are open in person and we are continuing to collaborate with the facilities and churches on protocols of keeping all members safe. We have added 3 new groups to our area; The Urbana "Step Climbers" which meets every Wednesday night at 7pm at the Recovery Zone in Urbana, OH, the Friday Night "Recovery Chasers" which meets Friday nights at 7:30pm at the Recovery Zone in Bellefontaine, OH, and Sunday and Monday night "Phoenix Beta" groups which both meet at 5:30pm at the Recovery Zone in Bellefontaine, OH. We are excited to be adding and welcoming previous groups to our area! We have an updated meeting schedule here and I have also emailed one to the Webmaster.

Ohio Regional Service Committee Quarterly Meeting Minutes

Our area held nominations last month for ASC positions, and I am very excited to share that we have multiple members who are willing to be of service and would like to serve our area! This is very exciting for us, due to being a new area and having minimal members with the clean time to be of service, as well as the willingness. Our elections will be taking place next Sunday.

PUASCNA Zoom group, "Phoenix Zoomers" has shut down and our area is no longer hosting Zoom meetings. We are back in person and have shut down the Zoom account for the time being. Our area has decided that if there ever comes a time where we shut down our in person, that we will pick back up online meetings.

We will be hosting our Anniversary this summer in July/August! Our Activities Committee meeting meets tonight at the Methodist Church at 6:30pm, and they will pick dates and times. I will be able to have more information for you tomorrow. We are looking forward to hosting an in person function FINALLY! It has been over a year since our fellowship has met for a function in person. Our area has donated \$108 to the region this quarter.

I have not received my COVID vaccination, however I do plan on getting mine soon! Throughout this time from our last meeting I have celebrated 2 years of clean time, have been getting on a structured schedule with my family, assisting my children who have disabilities, and have been continuing to serve my fellowship! This has been a balancing game and somewhat of a struggle, however I have been doing my best to stay connected with my support group and in meetings, so I have been able to stay clean through all of this and continue to be of service. Just for today, I am grateful I do not have to use!

Thank you all for your patience, love, and support since we joined the region last January! I am very grateful for you all and am looking forward to continuing to serve with you all.

In loving service,

Nichole K.

SBASCNA RCM (Sandusky Bay Area)

Regional Committee Member (RCM) – Matt McClester

Regional Committee Member - Alternate (RCMA) – Ken S.

The geographic area served by the Sandusky Bay Area is Erie, Huron, Ottawa & Sandusky Counties. Our area presently has 10 groups with 13 meetings. We have a new meeting that has started and is struggling with attendance. Attendance overall at our meetings has not returned to pre-Covid levels but has been steady. We just do not seem to be getting many newcomers attending our meetings. All meetings but one are back to meeting in person. The new meeting that has started is doing the hybrid version of a combination of in person and online.

At our last Area Service Committee meeting, 5 groups were present. Our Area has started meeting again in person on a monthly basis at the location in Norwalk. We held yearly elections in March with most positions getting filled except for secretary and Activities which we are in the process of filling. We continue to focus any accumulation of 7th Tradition towards building our supply of NA Literature.

We are not making a donation to the Ohio Region this quarter.

At our elections in March we did elect a new H&I chairperson, we will work together to get this area service functioning. We had a commitment getting started at Local County jail until Covid hit and they shut down outside visitors.

We do have two women taking a meeting into a women's recovery house in Sandusky.

We have a new Public Relations Chair who has a wealth of experience in service work. They are going to try and get some things going to get our message out that we have recovery meetings active in the area. One thing we are

Ohio Regional Service Committee

working on is an idea from the last regional meeting about creating business cards with our website link in order to get a meeting schedule and other information.

STACSNA RCM (Stark, Tuscarawas, and Carroll county areas)

Good morning region, my name is Christian and I'm an addict.

STACSNA serves the geographic areas of Stark, Tuscarawas, and Carroll counties. We currently have in person meetings up and running during the week and we have 11 zoom meetings right now as well.

Our activities sub-committee is currently working on holding a summer retreat in July at Bear Creek Resort in East Sparta, Ohio. I would suggest attending in the event that we do have the retreat this year.

Our PR has been active too, the sub-committee has put together an email list of all opt the high school guidance counselors in the tri county area. and plan to send out the informational pamphlets, Am I an Addict, For Young Addicts By Young Addicts, and For Parents or Guardians Of Young People in NA, along with meeting schedules.

We currently have 3 H&I commitments.

In service,

Hello family I am an addict name Matthew S.

It has been an honor to serve Ohio region as public relations chair. Over the past year things have been closed down and are opening up very slowly!

I do know some of the treatment centers are starting allow in person meetings and of course zoom meetings.

The meascna area pr chair Did a little awareness of the narcotics anonymous program in Cambridge by giving away paper bags with a bottle of water and information pamphlet And schedules in distressed neighborhoods!

I haven't heard of yet have any institution to allow CDs or in person meetings in jails and prisons yet.

I did have a meeting via zoom for the area public relation chair people and one attended and we had a lengthy discussion on different ways to attract people to the program.

It seems to be a lot of the areas have been hit hard by the quarantine and have yet to have area meetings resume in person.

Ohio Regional Service Committee Quarterly Meeting Minutes

We did receive one letter from a student in college that read:

Dear ORSCNA,

My name is Sarah Roberts, and I am a rising sophomore at the University of Virginia, writing for an intercollegiate health and human rights magazine, Health Righters (<https://healthrighters.com/>). Currently, I am writing an article about the COVID-19 pandemic and how it has impacted the fight against the opioid epidemic, specifically in hard-hit states such as Ohio.

I would love to conduct a 15-20 minute phone or Zoom interview with anyone who can provide me some information for my piece. As my deadline is approaching soon, I would appreciate the opportunity to speak with someone in the coming days.

I am available to have a Zoom meeting or call within the next few days—my schedule is flexible. Please let me know if anyone from this organization might be interested and available. If needed or preferred, I can also send over a list of questions. You can reach me at this email or at [\(703\) 203-8744](tel:7032038744).

*Thank you in advance,
Sarah Roberts*

I have emailed her and also called and left a message I haven't had a reply yet!

Thanks for allowing me to be of service.

Mattie

Webmaster:

Kirby,

Let this email serve as my official letter of intent to resign from my position as Webmaster. AJ and I had an email discussion, and I would like to continue helping AJ with some tasks that he needs help with. I have essentially been posting all the event flyers and some minimal maintenance on the website and will continue doing so. AJ essentially is doing the heavy lifting and I will continue to assist in any way I can help. I prefer to operate in the background and hopefully, you can find a new Webmaster.

ILS,
Marty

Vice-Webmaster:

How do I better serve the areas? I would like feedback please.

I also want to be better at updating your website.

I need current information for all meetings in the Ohio Region. Certain areas have not communicated if their meetings exist. If there is not a designated person, PLEASE inform me so that those seeking recovery from NA get to the proper place and proper time and if it is an online meeting it can be added as well. Each area can send their information to NAWs by downloading their area's CVS file.

I am going to redo the pages for the areas on the BMLT to include their website link.

I am finalizing a new website <https://wordpress.naohio.org>

I have a contact form for feedback or just email webmaster@naohio.org

If you are not on my contact list and do not answer the security email, I may not get your message.

Marty has resigned but still willing to help update the website.

The BMLT is averaging 71 visitors per day. Way down from the average of 230 per day before the pandemic.

If you want to be a part of this web committee, please inform me by emailing webmaster@naohio.org

Policy Coordinator:

Good morning family,

I want to thank the Region for the opportunity for serve as Policy Chair. I am looking forward to learning about our policies and how best to serve our areas. I plan to attend Region in person in July since I have now had both my vaccinations.

I have just begun reviewing the policy and my first question for this body is what we should do about the FFASCNA area on of our rotations. I am assuming this is new business for tomorrow, please let me know if there is another path I should take to start addressing this.

Thanks.

OCNA 38 Convention: *Open position*

OCNA AC:

Hello family,

I attended the February Buckeye regional meeting and asked if they would be willing to host OCNA in 2022. The consensus was that the Buckeye Region as a whole, would be willing to host, but that the areas should vote on this. I should have an answer today. The Buckeye Region would like something from us stating that it is OK for them to host in 2022. I attach a motion to this report.

I would like three things from region this weekend:

First, we need to vote on the motion to approve Buckeye's hosting OCNA in 2022. We need to approve this motion this weekend. Buckeye is already getting started late in its preparations and we cannot make them wait another three months for formal approval.

Second, I believe we need to see whether the next area in the list would like to host OCNA. According to our guidelines, we are to have this information "two years before the event in January."

Finally, I previously discussed by concerns regarding the corporate structure of OCNA, Inc. Recall that I do not believe it is correct and, therefore, will be unwilling to sign any documents relating to the corporation. I spoke with an attorney I know, David Mucklow, and he would be willing to give us a free consultation regarding our current structure and options going forward. If this body is willing to listen to legal advice, please give me the names one or two representatives and I will schedule for a consultation with Aaron R.

RCM/RD meeting

Hello family, the RD / RCM meeting went well considering the nervousness I was experiencing as I ventured out on a new challenge, facilitating!

MRSLDNA – The 2019 event is still posted with no update.

MZSS = #4 held in a short 139 days 8/27th – 29th in Dallas Texas

AJ is asking that all RD's & RCM's keep him abreast on needed information to assist him in keeping the website updated moving forward.

Ohio Regional Service Committee

Quarterly Meeting Minutes

Martha sent out a PDF – Area planning Tool – Sample Area Inventory it seems considering yesterday’s discussion that surrounded Matt’s question - How are we handling area business? Do other areas do inventory reports? Do they use order forms for literature?

Lynnette CD – took issue with area reports if areas do inventory why not region. Annually our area takes a survey to capture how groups or individuals feel area is serving them. Sort of a quality control system. Thank Martha for the effort. H&I have fund raiser 4 / 24th convention family feud fund raiser 25th.

Area did create a survey.

Tom B stated his area’s outreach would attend meetings to see how things are going and also noted with larger areas that procedure may not work well.

Kaitlin G - Area keep track using receipt book.

Jo – STASCNA’ s area does not give monthly inventor, it’s too cumbersome.

Martha stated her area use to use such measure monthly so they would stay accountable.

Martha also stated this body can create an ad hoc committee to move this forward – motion to have an ad hoc committee.

After extensive discussion and a straw pool that resulted in a 5 – 4 – 1 with 10 RCM’s present and the majority in favor of having a regional inventory. Lynnette CD stated the willingness to draw up a motion to creating an ad hoc committee leading that charge.

Having said all that, I would like to extend my gratitude for everyone stepping in to certainly prove together “We” can.

In loving service,
Marvin H
