Administrative Committee Reports:

Chairperson: Chairperson:

I first would like to thank BLASCNA for hosting this quarters regional meeting and all those in attendance today, physically and virtually.

No motions went back to areas and/or groups, only nominations for regional service positions open because of the spirit of rotation that comes every year. With that being said this will be my final report as the Ohio Regional

Chairperson. This past year and half has been very strenuous and sometimes confusing for all of US. I would like to thank all those in service (secretary, treasurer and vice treasurer, the RD and RD alt, and of course our Vice Chair) for being patient with me and helping me and the entire Ohio Region to keep our Fellowship afloat and on an even keel. I would also like to thank my Higher Power for this tremulous lesson on patience and tolerance. So we can do the task at hand, that we all have the responsibility, obligation and privilege to do and that is, to carry the Narcotics Anonymous message of recovery to the still suffering addict. No matter what.

According to policy the MVASCNA area is next in the rotation to host the regional meeting in October. Therefore, I am certain that the Ohio region will be in excellent hands with Dave L. at the helm for next year and beyond. It has been an honor and privilege to be of service. Just for Today.

In Loving service, J. Kirby Martin

Vice-Chairperson: *Verbal report*

Regional Delegate:

Good morning Family, I hope everyone is well and Covid free. If you have not had the Vaccine, you may not want to Hug Me, because I have had all of the shots but I can be a super spreader, so it Hug at your own risk!!

Well, this will be my final report as your ORSCNA RD, but I may still be around working with Aaron as your AC #?, so you will not get a chance to Miss Me, and I will support the new RD team as much as possible, Being the Co-Chair of the upcoming MRSLDNA scheduled for this October, we can transition without much ado, so everyone please register for this great learning event, I am hoping the RD team will motion to have our Region budget to send members of our region to this Learning Day as we have done in the past, and also to the upcoming MZSSNA, rooms are going fast as everyone is breaking out from the 16 month isolation of the Pandemic.

ILS

Charles F RD.

Regional Delegate Alternate:

Hello family, things has been quite challenging for me since we last met, I now understand the full meaning of having to seek outside help. No matter what struggles I have had to endure, I did not feel the need to use drugs or old practices. As a result, on July 8, 2021, I celebrated 10 years clean. I feel blessed beyond measure, life is good.

This year marks the 60th anniversary of the Little White Booklet. Did you know that over the past 20 years, communities have been publishing local stories in the LWB, in accordance with the policy described in A Guide to World Services in NA? In addition to the eight stories in the English-language version, there are 85 other stories from 13 other language versions of the LWB, and we plan to publish a collection of them all.

The July Conference participant web meeting will be 24 July, 11am-1pm, Pacific Daylight time.

The Spiritual Principle a Day Project has been posted to www.na.org/spad. It has taken a lot of hard work with the staff furloughs and the inability to meet in person for more than a year, but the approval draft is still targeted for the 2022 Conference Agenda Report.

The impact of the global pandemic on the ability to travel and gather has caused a shift concerning WCNA 38 which will hopefully be held in Melbourne, Australia, in November of 2022, but it' not confirmed yet.

Ohio Regional Service Committee

After almost 30 years, the World Convention will be returning to Washington, DC, 29 August – 1 September 2024! WCNA 39 As it relates to fellowship development, NA has grown to be a fellowship with over 76,000 weekly meetings in over 143 countries.

Thanks for everyone’s service.

PUASCNA RCM (Phoenix United Area)

Hello Family, I'm an addict called Nichole,

PUASCNA has been doing very well, with our groups gaining more attendance each week with returning members as well as newcomers since we reported last quarter! We have been focused on carrying the message to the still sick and suffering addict, bringing an atmosphere of recovery in our meetings, and making our fellowship attractive without promotion.

Our area has recently held nominations and elections, and I am very pleased to report that our ASC positions have been filled with many members who are willing to be of service and want to be a part of Narcotics Anonymous at the area level! Our PR chairperson has updated our area's meeting schedule, which have been emailed to the Webmaster. We have ordered our Activities Committee/PR committee a banner for our events, and we are in the process of creating our own ASC website!

Our area will be hosting our 4 Year Anniversary on Saturday July 31st! This will be at Mary Rutan Park (Shelter #3) 500 E. Williams Ave. Bellefontaine, OH 43311 – From 1pm-7pm – There will be 2 speakers, hamburgers, hotdogs, and a taco bar. We will be playing volleyball, corn hole, and other games! There is discussion and consideration about meeting every other month as an Area. We continue to focus our Area 7th tradition funds on ordering literature so we can provide it to groups. There was discussion on providing literature to groups outside the area then not having inventory of literature to provide to groups at Area meetings. Also we discussed looking at a system to track literature sales and inventory.

Public Relations:

Hello family I am an addict Mattie I am the Ohio regional public relations chair and this should be my final report For this position.

As areas begin to have meetings in person the public relations chair position will become more valuable as the year goes on. I was able to hold a meeting for all public relation chair for their area I had one person Josh show up from KORASCNA, they have about 19 meetings. We talked about how people that are incarcerated are able to obtain tablets with free narcotics anonymous literature access to the tablet and in-turn we are able to have some accountability by monitoring Their access to each literature and how many times a day each person was accessing the free literature. We also discussed how to reach the public and that the business card was simple and inexpensive way to let people know that there is help out there from

narcotics anonymous. I am still impressed with how my area meascna is able to reach out to the public by attending community functions and have a table set up with literature cups pens a bag with water and schedules giving away freely!

It's been a pleasure to be able to serve this body and the Ohio region I'll still be here with my new nomination as the Rcm meascna

Phoneline Coordinator:

Dear Family,

I have been in touch with the folks at Townhall II (Andrea Miller, Helpline Manager and Paul Dages, Emergency Services Manager). They contacted me in May to report that the phoneline was down. On May 13-14 there was a problem with the ATT server in Ohio being down. On May 24-25 Townhall II changed phone service providers and there was a glitch in service. Unfortunately, in both situations, when the line was called, there was no way to prevent the announcement that the line was disconnected. Hopefully neither of these issues will happen again. The good news is that in both instances they were very prompt in reporting to me and kept me informed until the problem was solved.

I have included with this report the monthly breakdown from Townhall II of the number of calls from each area and the type of call (meetings/info and other), for the months of March, April and May. Since in today's meeting it was discussed that the FFASCNA area has dissolved, I will be following up to notify Townhall II of this so they can redirect those inquiries to neighboring areas.

Thank you for allowing me to serve in this position.

Hello Family:

I'm not feeling well so this report is a bit scattered. My apologies.

OCNA 38 is under way. Again. The Buckeye region as a whole is putting on the convention.

OCNA 38 will be held at the East Cleveland Marriott, memorial weekend 2022. A contract has been signed and a deposit has been given.

Ohio Regional Service Committee Quarterly Meeting Minutes

The Chair is Andy F, 330-571-7493. Vice Chair is Chris G 216-209-5704. They are still looking for a treasurer and vice treasurer as well as several subcommittee chairs.

The Ohio region was able to forward the funds it was holding for OCNA, approximately \$7,800, after consultation with the OCNA ACs and the executive body of this region to the current OCNA Chair. They were received and deposited. OCNA 38 has formed its own corporation, OCNA 38, Inc.

ILS,
Aaron R.

Family,

I have been in touch with the Buckeye Region on the 2nd OCNA 38 post pandemic Conv. I have brought to this RSC the paid registration receipts and the merchandise is nearby and boxed up for travel, Jesse G representing the Buckeye Region, may be available at this meeting to pick up these items, I hope, this will completely close the books for the BLASCNA Area convention committee and they look forward to attending next year.

Quarterly Meeting Minutes

ORSCNA 12 Step Retreat (Fall) *See attached documents*

Hello ORSCNA family,

All positions on the Fall Retreat committee have been filled. We have several first time committee members which is good to get some new blood on the committee. Both our Programming committee chairs are new to serving on the Retreat, but both have over 35 years clean so I think we will get some excellent speakers and workshop speakers.

We had our first subcommittee meeting on 4/25 at my house. We had our second meeting on 6/12 at the MOASCNA campout up near Howard, OH. Both meetings we very well and we are making good progress. Our third meeting will be 7/24 at noon in Columbus at April and Chris's house – April is the Secretary and Chris is the Hugger Chair. Our last meeting is scheduled for 9/11 at noon, but we haven't decided where to meet yet.

I mentioned in my report in April that we were required to submit a Covid Plan to the ODNR. We created a plan and submitted that to Kim Hillman – our contact at ODNR. Before our plan could be reviewed and accepted, the State of Ohio and the ODNR decided to remove ALL restrictions for the groups renting the resident camp at Tar Hollow. So, hopefully things will continue to go well and we will be as close to normal as possible during this year's Fall Retreat. We certainly still welcome anyone who wants to take their own precautions like masks or distancing. We are planning on getting green, yellow and red wristbands for everyone who registers. Those who would still like to stay distanced could take a yellow wristband while those who aren't yet comfortable with hugs or other contact could take a red wristband. All others would get the green wristbands. There will be signs to explain to everyone the meaning of the wristbands. We are hoping this would help alleviate the awkwardness for those who still have concerns.

Kim Hillman mailed me the contract and I signed that and returned it. We also sent in a deposit of \$558.53. So we are officially booked for the weekend of 10/8 to 10/10.

The flyer is up on the naohio.org website as well as the registration website. We are not doing paper flyers this year because of the cost and the fact that so many meetings are still just online. But you can download the flyer from the website and print out copies for your meetings if you want. Please register online or send in your registration. Also, please announce it at meetings. We now have a Fall Retreat Facebook page. If you search for "ORSCNA 12-Step Retreat", you can join the group. Please invite your addict friends to join the group as well.

Our projected budget is currently going to be between \$11,100 and \$17,300. Looking at some previous years expenditures, the average over the last 10 years or so is about \$16,000. One of the concerns this year is food cost. Prices for most items especially meat have gone up a lot recently. Dave our Kitchen Chair is going to do his best to balance between quality food and reasonable prices.

We have taken 42 registrations so far if my counting is accurate. This seems to be higher than normal which is awesome to see. The RV spots have all been reserved. The current bank account balance is \$3,056.79.

I think that's about it for now.

In loving service,
Mark R.

RCM/RD meeting

It really is an honor that this body would allow me to serve in such a position. Though is a big deal because I'm most comfortable operating behind the scenes.

The RD / RCM meeting spoke towards areas experience and how help comes through shared experience.

Kirby opened the discussion about how hybrid meeting creates a sense of confusion and stated there should be an ad hoc committee or IT person that could curb the confusion such as bad connections and conversations with these hybrid meetings.

Ohio Regional Service Committee Quarterly Meeting Minutes

Lynnette CD shared that the Central Ohio Area is looking to perhaps purchase equipment to continue hybrid. Since a lot of people are not able to come back to meetings right now for whatever reason it is best to make accessible to everyone. Therefore, one person is charged to research equipment feasibility and cost that these hybrid meetings can continue. The equipment purchase may be possible due to donations being held. Also, more concerned members will possibly be encouraged to get involved through hybrid meetings. Lastly, getting trusted servants continue to be an issue; however, Central Ohio Area has adapted quite well, meetings have been created out of the pandemic and plan to continue.

Jo believes the hybrid meetings are here to stay; they are less costly, better accessible, and promote greater participation.

Nicole says all in person meetings have resumed but area still have Zoom account as backup. Two groups from Urbana joined area. Although donation to region have not been great the question was posed “how do groups donate to region?” As a result of lots of newcomers in meetings, groups often take a quick conscious and revert to text study meeting. People are stepping up to be part of area service.

Terry stated that his area is experiencing the same issues as other areas the ups and downs. Service positions are not being filled, business is not being conducted due to lack of participation, however, doors are opening slowly yet cautiously due to variants. Treatment facilities are doing inhouse meetings and but not allowing clients to attend meetings. Sadly, Terry states he will be leaving his position is spirit of rotation but will continue service in group level.

Angel - MEASCNA area are experiencing good numbers for meetings with a lot of newcomers in attendance However, the area is struggling getting into facilities but the word out and every position is currently full.

Mattie reiterated the MEASCNA area meetings are almost in full bloom. Members from treatment facilities are showing up by the van full. Virtual meetings have shut down due to opening of in person meetings. Events are heavily participated, and the area is a real tight nit group. Lastly, I will still be working on H&I.

Matthew says this (hybrid) is not a functioning way and asked why are we still doing hybrid; and will it continue? The area is still suffering due to covid in Sandusky bey.

Christian says hybrid meeting has its ups and downs. For instance, everyone does not know how to communicate on computer or tablet. However, some people are partial to hybrid meetings because can be a money saver. Overall, things have been going smoothly.

David C states his area is up and moving again. with only one meeting still online. The FRASCNA – Five Rivers Area will be hosting next quarter’s RSC and stated since costs are going up they can’t find venue under \$200 which is what policy says the hosting area will be reimbursed.

Dave L says his homegroup donate to area, region, and world. And says he is personally opposed to making donations through pay pal because they assess a service fee.

Treasurer Report
July 2021

Hello Family I'm TJ and I am an addict:

I'm grateful to be clean and of service to the Ohio Region. We began our quarterly business meeting with \$6,169.66 in the bank. Business on Saturday produced donations of \$3,507.92. In addition, we paid expenses totaling \$1,213.97. This left us with an ending balance of \$8,463.61 prior to the World Services and MZF donations. Policy dictates we donate 10% of the end of Saturday balance to World Services and 5% to the MZF. Those donations were \$846.36 to NAWS and \$423.18 to MZF. Our final balance at the end of the day on Saturday was \$7,194.07.

Sunday began with a balance of \$7,194.07. Expenses for Sunday totaled \$2470.36. This left us with an ending balance of \$4,723.21 at the end of business of Sunday. The weekend change in the balance of our account was a negative **\$1445.95** as indicated on the enclosed income/expense statement.

We returned the OCNA 38 funds of \$7,876.56 we were holding for the OCNA 38 committee. A committee was formed and a bank account was created so this money could be held by the OCNA 38 committee. The amount returned represents the amount we were holding (\$8,376.56) less the \$500.00 loan made to OCNA 38 when the committee was originally formed.

Included with this report you will find the Income/Expense Statement for the organization for the April 2021 meeting and one broken down by quarter for the last 12 months plus overall total during that period. You will also find a balance sheet, treasurer's worksheet, checkbook register and deposit total for the April 2021 meeting.

If you have any questions, feel free to let me know.

In Loving Service
