

ORSCNA Motion 014 – July 11, 2020

Since rescheduling OCNA 38 for Memorial Day Weekend 2021 the Convention Committee has recognized the COVID-19 pandemic continues to spread and surge in various parts of Ohio along with the rest of the country. It is the position of the OCNA 38 Convention Committee that social distancing guidelines which continue to change but are expected to be in effect indefinitely, make it difficult and impractical to plan fundraising events to support the Ohio Convention and ensure adequate registration and attendance at Kalahari Resort next Spring. The OCNA Advisory Committee submits this motion that ORSCNA accept the OCNA 38 Convention Committee decision to terminate all planning meetings and activities related to the Ohio Convention and cancel the event at Kalahari next year. The Convention Chairperson and Committee will coordinate with OCNA AC to inventory and audit all materials and funds accumulated so far and turn them in ORSCNA for safekeeping and redistribution in the future. Receiving a refund for the deposit from the Hotel site and making refunds for Convention registrations is on-going and could take several weeks or more but should be completed by next Regional meeting.
