Administrative Committee Reports:

Chairperson:

Happy July 2020 ORSCNA family, hope everyone had a happy 4th of July holiday.

This is my last Chair report and I had a wonderful time serving as ORSCNA Chair and learned a great deal about service at this level! Want to thank all that supported me in this process. I'm going to keep doing service in my 6 home groups during the week and puppy business is at the next level. We are having a lot of addicts in and out of recovery passing and today I have to go to a funeral of a dear friend. Keep me in your prayers as I will keep you in mine!

In Loving Service,

Joe L

Quarterly Meeting Minutes

Vice-Chairperson:

Hello Family, It seems like my recovery family is becoming as close as my biological one, we now have family zooms as much as my NA virtual meetings, anything to stay COVID free while remaining Drug free,

- I hope that everyone has been safe, we still have a long way to go through this pandemic, because of which; we have postponed the MZSSNA until 2021 just weeks before our MRSLDNA, and on the global scale, everything is still up in the air as far as planning the future of World Service and the World Convention of NA. As a virtual conference we agreed to have the WSC part 2 on [the 7-9 August 2020](#), and if needed [the 28-30 August](#), this can be found in [NA.org](#) WSC 2020 Virtual Materials along with a Motion List and the summary of decisions part 1, Draft proposed Rules and Emergency Budget Proposals.
- NAWS is currently working on a web meeting open to all interested members on the topic of "Next Steps for Online Meetings" The log-in information will be posted on www.na.org/webinar The web meeting is scheduled for [Saturday July 25, 11:00am-1:00pm PDT, 2:00pm-4:00pm EST](#).
- The July MZF in Indiana was cancelled due to COVID-19 the unused check was returned to Sam, I hope He received it, I sent the items right before the July holiday. So that puts Ohio next in rotation, Marvin and are considering sometime in the 4th quarter depending on the conscience of the RCM,s and this body, I have setup a Zoom Channel for the Virtual MZF and will make it available after we set the date.
- I will be requesting reimbursement for \$49.90 for travel insurance for the cancelled WSC flight.

Charles F

ORSCNA RD

Regional Delegate Alternate:

Hello everyone,

Things have certainly changed this year and I am still trying to find balance in this new norm.

After my MZF learning experience in Grand Rapids, Michigan in January, I was prepared to return \$92.40 back in April. However, with all the changes that has taken place and all refunds being settled, I am sending a check in the amount of \$42.87; which is the balance of the \$90 per dim which was received from the RD; receipts are included.

Interestingly, the WSC has not finished its business and have polled participants asking; are you okay with the WSC sessions being scheduled for 7-9 August, and if business is not completed, the second set of sessions being scheduled for 28-30 August?

Eighty-eight percent of participants were in favor of that compromise; therefore, part two of the virtual WSC 2020 will be scheduled for the dates of 7-9 August, with sessions 28-30 August if needed.

There will be an orientation webinar the week prior and thus, questions and concerns should be directed to worldboard@na.org in advance if possible.

Any amendments are to be submitted 15 days before the sessions begin, by 22 July, so they are sure to be WSC-ready with enough time to take an initial straw poll prior to the start of business.

Another question that was straw polled during the webinar was the question of how to make final decisions and the results were close enough to warrant further discussion and another poll before making a decision.

The purpose of this information is to communicate the impact of the changes that has taken place this year. And to show how important the newcomer really is; because without them, would we have Zoom or be e-polling?

Once again, the following dates shows how an RDA's job is never done.

- **13 July: Input on proposed discussion and decision-making processes**
- **22 July: Amendments due**
- **1 August, 11:00 am to 12:30 pm: Webinar orientation to WSC processes**
- **7-9 August, and 28-30 August, if needed: Part two of the virtual WSC 2020**

Good morning,

I'm an addict named Martha. Since our last meeting, the app I was using for email was shut down. Our Web Servant team helped me get back the contact list of email addresses and working with the new app. However, the older I get, the slower I learn! Some addicts report missing some emailed information and I don't know how it happened but I'm really sorry. This app is actually easier to use, and I'm hoping things will only get better. Thank you for your continued patience with me.

Much love and gratitude,

COASCNA (Central Ohio Area):

Hello Family,

Grateful to be a part of today's regional service committee meeting, and grateful to be a part of this recovery family.

- At our last ASC meeting, 13 groups were represented, and since April 3 new groups have been started in our area - at least 1 of which is a permanently online only meeting.
- We recently held annual trusted servant elections and the following were filled: RCM - Lynette CD. Area Office Chair: Nande G., H&I Chair: Matt S., Newsletter Chair: Rebecca A. and PR Chair: Paul M.
- Vacant area trusted servant positions: Chairperson, Vice-chairperson, Secretary, Vice-Secretary, Treasurer, Vice-Treasurer, RCM-Alt, Activities Chairperson, Outreach Chairperson
- We recently passed a motion to suspend the portion of our area policy that directs our donation to the region and this will continue until another motion is passed to reinstate it. It is clear that the issue of insurance coverage is still ongoing in our area. I am happy to share further about this in our RCM/RD meeting.
- We have set up a PayPal account so that groups can make electronic donations directly to COASCNA. It can be accessed on the main menu of the website.
- Public Relations (PR) has been organizing information from various sources and has developed several documents to help COASCNA groups determine for themselves the best course of action. (<https://nacentralohio.org/coronavirus-and-meeting-closures/>)
- They also hosted 2 Homegroup Roundtable discussions about reopening meetings. Notes from both roundtables will be put on the web page.
- The donations from our groups have decreased sharply over the last few months and our outgoing Treasurer provided us with upcoming and regular expenses that we need to consider, and for the Groups to think about how they want to direct Area to proceed over the coming months.

Hello family,

Our last Area meeting there were only 3 people. While those 3 people did represent groups, there was no business conducted other than to figure out that we have to cancel any upcoming events, including the Pig Out. Our Webmaster was present and has been keeping our website updated.

We are looking forward to the opportunity to improve our ability to serve our Area meetings when the health crisis is resolved, whether that be increased participation at Area or combining with another Area, we will see what happens.

Our treasure will determine if there are enough funds to send a donation.

NWOASCNA RCM (North West Ohio Area)

I'm an addict named Terry G.

I apologize for being late for this quarters meeting but life on life terms has me at work right now. lol. The Northwest Ohio Area service committee of Narcotics Anonymous has the willingness to allow me to serve as RCM of that area. I have their vote of confidence as well. This Area covers Allen, Augize, Hardin, Vanwert, Hancock, and Paulding counties. Our groups are slowly starting to open their doors to NA meetings within the last couple of weeks. Unfortunately, we don't have accurate information on how many groups are still meeting due to the States Covid19 guidelines, so more will be revealed on that. We did not have any groups attending last month's Area meeting but we were able to fill literature orders for several groups. There were no Panels for our H&I Members to attend behind the walls last quarter due to the lockdown. We look forward to giving you more information at our next ORSCNA Meeting. I hope that all is well with you and yours as we keep coming back.

Thanks for allowing me to serve,
Terry G.

PUASCNA RCM (Phoenix United Area)

Hello Family, I'm an addict called Nichole. I am so grateful to see all of you, even though it is through a screen for me this quarter.

These last few months, our area has been busy! All of the in-person meetings in our area have been opened back up to the members of our fellowship and we are cooperating with the facilities per requirements and guidelines to having in-person meetings back open. We have updated our meeting schedule that is now including Marysville, OH meetings from Union County. We have decided to keep 3 online Zoom meetings on our schedule and has become its own home group, which is the Sunday 8pm and Monday 8pm (speaker meetings) and a Thursday night Women's Meeting at 9:30pm. The new updated schedule has been sent to the Webmaster to post on the regional website. Our area is having our 3-year anniversary Saturday July 25th from 2pm-6pm at Oakland Square Park in Bellefontaine, OH. This event will be a potluck style dinner with games, 50/50 raffle, car wash and fellowship. The flyer for this event has also been sent to the Webmaster.

Our fellowship has been struggling with attendance and members holding service positions since we have opened back up. We had discussed with trusted servants before we opened our doors that this may be a struggle the first few months returning due to the COVID and how it has affected a lot of addicts, and we looked at it as "starting back to the beginning". We are currently working on getting back to the basics and looking for ideas on how to make our meetings and our events seem more "attractive" to our fellowship as well as to the newcomer to remind them of the promise our program gives us.

Our area is also in the works of building a relationship with the county jail in Logan County as well as Tri County to produce literature for the incarcerated inmates as well as pamphlets and what ever else we can give them. We are also in the works of trying to get Zoom into the jail until the COVID is no longer a serious issue, whereas then we can enter in the jail in-person. This has been a struggle for us in Logan Co. with the jail and the reputation that has been established and we have shared this with the region previously, however we have been very willing to take the suggestions of the members who have given them and we are making progress!

Our area will not be making a donation at this time. Thank you all so much for your service and allowing me to participate in my recovery! I love you all!

In loving service,
Nichole K. PUASCNA RCM

Public Relations:

Good morning everyone I would like to thank you for letting me be the Public Relations chair of the Ohio region. I did not attend any events because there were none available to attend due to covid-19. This is the last time I will be writing a report since this is the last time I'll be the public relations chair. I would like to thank everybody for giving me this opportunity to serve narcotics anonymous. But being a father and having a job I need to spend more time on the weekends at home. I have my children this weekend so I will not be attending the regional meeting this time. I did have an opportunity to find a website that could provide us with the retractable signs that we wanted, and I'll leave the web page link on this report. Again I apologize for not being there in person, but recovery has given me the ability to be a loving caring Father today.

In Love and care

1. Task Completed
 - a. Adding current news to the home page to share with other areas and any updates on a regional level
 - b. Added links for Zoom meetings on each areas section on NAOhio and traffic did increase on the areas page
 - c. Updated the NA world site events link
 - d. Added a link for NA World Webinar on the topic of next steps for online meetings July 25, 2pm
2. Events – did not take down any events unless we received a request from the area that posted the event.
 - a. Events are being added again

Stats – 2020 –Traffic was consistent from Jan to June roughly 3,800 visitors per month. Traffic is picking back up since the State shutdown.

The retreats site is up and running well with all kinks hopefully worked out.

Have been in touch with HostGator about a lot of issues pertaining to emails, upgrades, and other issues which they have control over.

The BMLT is currently able to handle updates and new online meetings. The designated person from each area can do this without deleting the group meeting. If there is not a designated person, we, Marty H. and A J will do this. REMEMBER! We need the meetings updated so the addict does not go to a meeting that has been closed, moved, or temporarily closed.

The BMLT site will go through some changes as for the layout.

We talked about getting a meeting together with webservants from the areas to talk about concerns for how to better the website for them. This could be at the October regional meeting. ZOOM and/or in person. We always are open for feedback from admin and the RMC's at anytime.

OCNA 38 Convention:

Hello Regional,

I pray that everyone is staying safe. OCNA-38 has been on hold like everyone. Our committee has met twice to see what our best interest in putting on the convention is. I've also been in contact with Joe and Charles discussing it with them.

The body believes in our best interest we would be further ahead canceling the convention in 2021.

1. Groups have not opened yet.
2. Cannot have fundraisers.
3. And with all the stipulations they have put on events it makes it unfeasible.
4. And N.A. as a whole the last thing the body wants to do is get someone sick.

We have been in contact with Kalahari asking them to mail our deposit back. This has been a very hard decision to make but through prayer asking our higher power to guide us we believe this is the best decision to make. So I come before the Regional asking what do you think. I believe this is a decision for all of us to make collectively. For our balance please see the bank statement.

This is the following merchandising that we have.

1. 14 Tan short sleeve= 3 (5x), 2(4x), 5(3x), 1(1x), 2(large), 1(med).
2. 9 black short =1(med), 1(large), 2(3x), 2(4x), 3(5x).
3. 19 blue= 2(med), 3(large), 1(1x), 3(2x), 4(3x), 2(4x), 4(5x).
4. 2purple= 2(3x)
5. 15 green= 3(med), 4(large), 3(1x), 3(2x), 2(3x).
6. 1 pink=1(2x).
7. 12 long sleeve black=7(med),5(2x).
8. 8 long sleeve Tan=8(2x).
9. 108 wristbands

There is roughly \$1000.00 in merchandise.

ORSCNA 12 Step Retreat 2020 Report

Hello ORSCNA family,

The Fall 12-Step Retreat committee is moving forward with our planning. We have had 2 meetings so far (on 4/25 and 6/6) and we have 2 more meetings planned (7/18 in Newark and 9/5 in Columbus). All of the committee positions are now filled. We have both some Retreat old-timers as well as a few addicts new to working on the Retreat.

I have been trying to connect with the Tar Hollow administrator, Kim Hillman, to see if there are any special safety procedures that we need to practice during the Retreat given the current Covid-19 pandemic. So far I haven't heard back from her, but I will keep trying. In the meantime, our Clean Up subcommittee is putting together some plans for extra sanitation & cleanliness during the weekend.

I have 200 copies of the flyer with me today that I will hand out to those that are present. The flyer is also up on the regional website (<http://www.naohio.org/function/index.html>). Registrations can be mailed in to our P.O. Box or done online at <http://retreats.naohio.org>. I have sent a copy of the flyer to all of the Area webmasters in both the Ohio and Buckeye Regions. So far only 3 areas (COASCNA, FRASCNA, & MEASCNA) have posted our flyer on their Events page. If possible, please ask your area webmaster to get the flyer from the regional website and post it on the area website. Also, please include the Retreat details in your RCM report to your area and ask people in your area to announce it in meetings. Thanks!

Our finances are good at this point. We have not had many expenses so far. We will need the money from early registrations though as we get closer to the event. If anyone is concerned about registering, please know that there will always be the option of getting a refund if the Fall Retreat gets cancelled by the ODNR. Our current balance is \$1,748.12. I have emailed our financial spreadsheet to the Secretary to be included in the minutes. One last thing to mention with the finances is that we decided to keep the prices the same this year.

One of the first tasks that we completed was providing some kind of budget to better plan for our expenses. Each subcommittee submitted a low end and high end number. After our first 2 meetings, our budgets have been refined and are totaling between \$10,500 and \$17,100 which is very much in line with other years that I was the Treasurer.

The subcommittees have also completed numerous tasks so far:

- The Fire Chair has signed a contract to purchase 5 tons of wood.
- The Kitchen Chair has put together a menu for the weekend.
- The Programming Chairs have begun asking primary speakers & workshop speakers.
- The Programming Chairs have decided on a DJ.
- The Secretary & Hugger Chair have reserved the Gators for the Retreat.

Lastly, the Fall 12-Step Retreat Committee would like to nominate David C. (currently the Vice-Chairperson) as Chairperson for the 2021 Retreat. David has completed a nomination form that has already been sent to the Secretary.

In loving service,

Mark R.
