Administrative Committee Reports:

Chairperson:

Welcome to the year 2020 ORASCNA family! Hope everyone's holiday went ok, the weather was great! There were a lot of New Year's Eve events, hope they went well. I was thinking about how the years from 2000-2020 flew by and now we are in a new millennium. What we did when I came in recovery 3 decades ago is so different now. I love the way NA is coming out with new IP's that incorporates what's happening in the here and now. The newcomer is way more fortunate than we were. They got smart phones, google maps and the internet. We had rotary phones, paper maps, and face to face book. With the new millennium addicts we need to find new ways to reach out to carry the message to the still suffering addicts in recovery. I believe that we should make the effort reach out to recovery houses as well as the jails and institutions. Looking forward to having a great time in recovery in the 2020!

In loving Service,
Joe L

Regional Delegate:

Hello Regional Family;

I hope everyone got just what they wanted or needed for the Holidays, but I'm glad it's over so we can get down to the business of Service to the Fellowship.

Let's begin with the MZFNA; we met in Decatur IL. And we had 4 Regions join through Zoom which was very successful so we purchased a Zonal Zoom for all of our members to use to enhance our communication throughout our Zone, speaking of which; I have made plans to Zoom the CAR/CAT workshops through our Region in an effort to save time and travel whenever possible, we will have to set specific time schedules when we can be most available, my thought was to have as many as we need before the April RSC, they can be weekends or weekdays, our Zonal Webbie will set up a channel for us that will be specifically for our use, not just the CAR/CAT.

I completed the Regional Report to NAWs, and a few of the questions were about the use of Electronic Media in our region, so the more familiar we become with these types of tools; we could improve our Service to our Fellowship, at our last RSC AJ mentioned the YAP app that he will research and report to us, Because we support the MZF, there is no cost for the use of the Zoom app., Also the CAR/CAT workshop in Grand Rapids on the 24th thru the 26th of January will be available on Zoom and SLACK, the App that we use sometimes daily to communicate across the Zone, so anyone interested can log in and participate. we will discuss this in more detail in our RCM/RD meeting later today and I plan to have a temporary Zoom channel set up for practice for the RCM's.

I am returning Funds in the amount of \$88.40 from my expenses for travel to the Decatur MZF, and will be requesting funds for the CAR/CAT MZF in Grand Rapids.

My home Area Celebrated Sponsorship Day Dec 1st; with a Buffet Dinner Fundraiser, where the Sponsorship Family with the most members present would win a Trophy to carry around the fellowship, it was a sold-out event and it became the 1st Annual.

There was a Meeting of the Zones Global on 1/4/20 put on by NAWs, Our MZF facilitators were present. And on another note Mike N from Minn. sent this on SLACK; Geetings my FELLOW Midwest zone addicts in recovery. We (Minnesota) voted on motion 448 and it passed to join the Midwest zone! So excited to be a part of. That said can we have the Zoom information for the CAR/CAT workshop seminar in Michigan. Gosh I love NA and all of you. Blessings.

Your brother in recovery

Mike N.

Quarterly Meeting Minutes

Secretary:

Good morning all,

I hope everyone got the minutes alright. I am hoping to be better organized in 2020 but will, as always need help from my recovery family. OK, I just realized what I wrote there; I had a painful moment of clarity last week about my perfectionism. Not a surprise I'm currently working on Step Two and definitely (desperately) need a restoration to sanity.

Thank you to all who sent or brought their reports to the last RSC, I really appreciate any help I can get! To those who were a little late, I still love you!

1. I had a question from an addict about the date for the April RSC meeting and a conflict with Easter Sunday on April 12th. I wasn't sure what to tell them but wanted to ask the question here. I suggested they contact their Area RCM about possibly adding some clarification in our policy for the future.
2. An addict commented about being marked absent when they were at the meeting but arrived late. PLEASE make sure to sign the attendance sheet (especially) if you are late. I can't tell from the reports who was there since many are emailed whether the addict is there for the RSC or not.
3. I also need to ask that reports are submitted in a format I can reasonably access. I have had some reports in the last two meetings that were very hard for me to access and one that required me to install software to be able to open it. Also, I don't mind typing reports for our members, but I do make mistakes. I could also just scan in documents, but the minutes are much longer and the file size bigger. It is a big help if I can copy and paste the reports.

Thank you for the opportunity to give back to NA that gave me a life!

Much love and gratitude,
Martha B.

FFASCNA met December 1st. We currently serve groups in Huron, Wayne, Crawford, Marion and Richland counties. We have 12 meetings. At our last ASC, 6 GSRs were present with most meetings in our area averaging an attendance of 10 or less, but we have a few that are getting 20 or more. H&I continues to serve in MANCI, RIC1, and CAC correctional facilities, but there are other facilities unserved.

The Public Relations Committee met for the first time in years before the December Area meeting. They met again in January and are forming a partnership with the MidOhio region to work on PR together. More will be revealed.

We hosted our annual Gratitude Dinner in November. We had great food and sweats, played cards and fellowshiped. There were only 10 of us and we had a lot of food that was not eaten. Most of the leftovers were given to the local homeless shelter. We will discuss how to increase attendance at future area service meetings.

We have an invoice for the meeting room needed the April Region and will turn that in along with the \$99.54 donation we have today.

Public Relations:

Hello family, I hope everyone enjoyed the holidays. I definitely did. I didn't go to any events because I wasn't invited or could not make them. I did have someone call me about table cover for a table, but it was the night before and I gave them a couple people to try and get ahold of. I did have Columbus area Public relations sent in a report to me, it will be attached to my report. (See minutes attachments-Sec.)

I also got the pens made so we have pens to pass out and give to people for examples on how to get the message out to the public. There is a couple of public relations events coming up in next couple months that I will be attending.

I have looked into the banners and I'm still trying to figure out, I hope by the end of weekend I will have accomplished some more on banners, thank you for letting me serve this body.

Hello family I'm an addict named Matthew

I've been a part of area services to COSCNA, MEASCNA, MOASCNA, and PUASCNA.

I have been to many Narcotics Anonymous events and functions. A link has been set up by the webmaster it provide contact information for the regional outreach chair!

It was suggested for me to do outreach via phone and I have been making many calls.

I believe it means more to meet in person at ASC meetings initially and then to maintain contact via phone.

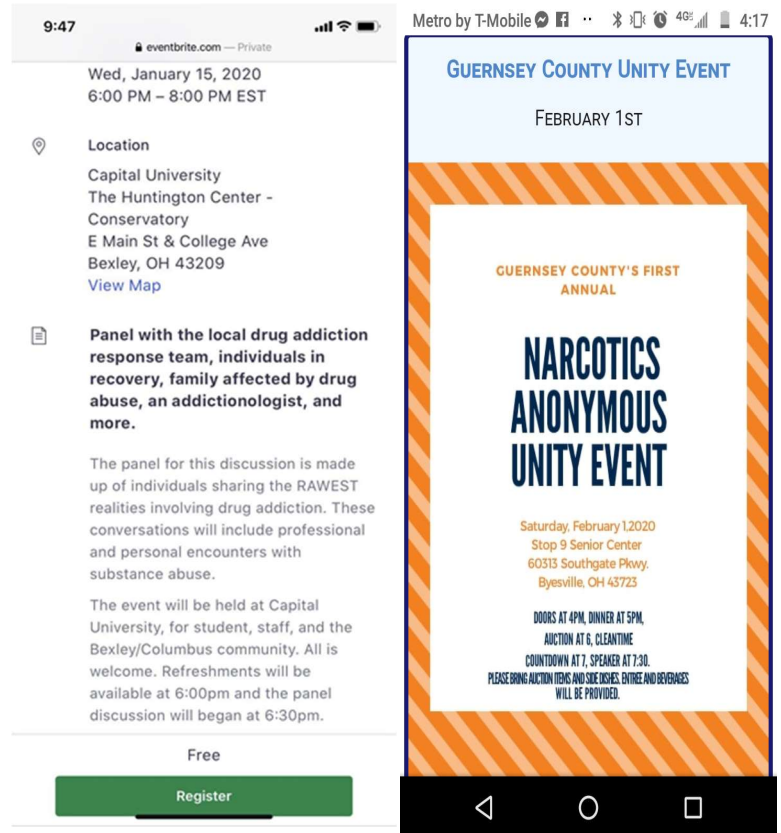

We are in the first stage of the pen-pal sponsorship behind the bars, Institutions, ect.

Anonymous, PUSCNA I was invited to attend one of their area service meetings and I've been informed they have had several meetings prior to my attendance of their ASC meeting.

I was informed early last summer that they and Bellfountain were not getting served and they wanted to form their own area. When I met with them they had quite a few positions already filled and were completing monthly duties. Chuck, the area chair and I have been in constant contact with each other and I have been answering many questions to the best of my ability. I want to thank him for making me feel a part of. I was informed that PUSCNA has a meeting for every day of the week and they meet once a month for ASC. They are putting on another speaker jam coming up in March.

They are doing well in spite of the turmoil and difficulties they have had to overcome to get this far. Again ,thank you so much for allowing me to be of service to them.

MEASCNA area is my old stomping grounds and they still make me feel as if I'm a part of their family! They currently have about 30 established meetings and a few new meetings as well. Most of their positions are filled

I've heard an area does not have to have a lot of meetings in order to be a positive force in the Narcotics Anonymous community and this is certainly true for MEASCNA.

They have a St. Paddy's dance coming up in March!

COASCNA is doing very well. They have many meetings and a lot of their service positions are filled. My homegroup is a part of COASCNA.

I want to congratulate them for putting on one hell of a convention, and give a shout out to the outreach chair for COASCNA. He's got a real zeal for Narcotic's Anonymous and has put together a great team for outreach. He has a meeting list of meetings that are struggling and he always has up-to-date flyers of events and functions.

I'm going to recommend that any area needing an outreach chair contact him for any information regarding the outreach position,

They also provide a workshop for new GSRs which acclimates them to the ASC meeting structure

Outreach volunteer Cynthia and I attended the ASC meeting for MOASCNA in Tiffin Ohio. They are looking for ideas on how to get more people involved in service. I drove over 2 1/2 hours one-way for an hour and a half meeting and 2 1/2 hours back.

I am going to request at the next regional meeting that outreach chair and one volunteer are provided one paid meal for any drive over an hour. Their ASC meeting was conducted well and organized.

So my basic plan is to go to every area service meeting in Ohio either to learn from ASC meeting or provide information to them

This is going to take some time considering more than 50% of the ASC meetings meet at the same time, the third Sunday of the month at 2 o'clock. I'm also going to implement a meeting report format, as was suggested at the regional meeting, in order to provide consistent reports on each and every meeting I get to attend!

In loving service Matthew

I want to give a special thanks to the outreach vice chair Madison B.

And Outreach volunteer Cynthia V.G.

For their very valuable contributions to regional out reach

Webmaster:

1. Task allocation – AJ is doing the programming which includes meetings, Tar Hollow site with security for online payments and any other needs in this area. I am doing the website, events and other areas as well as trying to still learn the whole system.
 - a. After learning the system I hope to put together a complete report on how everything works that can be used as an emergency plan.
2. Events – all events are being posted within 3 days of receiving them. We are adding a map to each event.
 - a. Issues
 - i. Events with no city name
 - ii. No flyers sent, a picture of a flyer, an email, word document, please send flyer in a PDF format as it can be seen on all devices
 - iii. If an area does not have anyone with those skills we will do a flyer if an email is sent with the information
3. Meetings – The Buckeye region meetings are being inputted into the BMLT meetings database. Not a simple task, very tedious work.
 - a. *If we are not informed if a meeting has ended or changed in an area then it still resides in the database. If you know of any meetings in your area that has changed please let us know, better yet check the database for meetings listed in your area.*
4. Outreach Page – We added a new outreach with the email account.
5. New Logo – added a new logo at the top of each page.
6. Twilio – AJ is still working on this software, it is a lower cost system for phone calls.

Webmaster and Vice-Webmaster report for naohio.org

I added SBASCNA as a website which will be updated by their trusted webservant. I have created the Buckeye region's meetings on our BMLT server. Still have to completely finish this for them on our site but they can create their own meetings list on their new site.

Thank you, Marty H for stepping up to help. You have a lot to learn yet and I feel comfortable with your knowledge and enthusiasm. Not there at regional this weekend due to a scheduling conflict helping others. I also had a tooth pulled and they found out the root was in the sinus cavity.

I will need reimbursement for the domain name as it is time to renew. Total cost is not known yet. They are inexpensive compared to other registers.

Hoping to make the site function with YAP. I have a lot to learn about that yet. I did create a Twilio account and added the YAP software to the server. Now to connect the dots.

Retreats

Not sure if the Traditions retreat is going to utilize PayPal or not. Waiting for the word from them.

BMLT

The BMLT is doing its job and is continuously improving and being up to date as possible. I'm not sure if all Areas have a person responsible for updating their meetings. I have updated NWOASCNA and KORASCNA meetings.

NAWS sent us meetings which they have in their database which have registered to the Ohio region and other areas. This is on a separate page. They asked to put them on the BMLT but I don't know if they exist.

It is beneficial if people take the time to make their flyer this way.
Just put it on top of the events page close to the OCNA information Marty.
Love yuns,

Policy Coordinator:

I missed seeing you all last quarter, and I'll keep my report brief.

To the best of my understanding, there were no motions made and/or voted on at our last RSC Meeting that would require any revision to our Region's Policy.

An updated Policy (dated April 2019) – incorporating all changes that have been made since the last update (July 2016) – is available on the Region's website.

An upcoming issue... the April 2020 RSC meeting – second weekend of April – will be Easter weekend. I would suggest that we may want to re-schedule the meeting up or back a week.

I was just asked the question, "What are the next three areas in our meeting rotation?" That info can be found in section 1.3 of the Region's policy:

- April 2020 – Finally Free Area
- July 2020 – Hamilton & Middletown Area
- October 2020 – Greater Cincinnati Area

With the addition of our new member area – Phoenix United Area – this rotation may be subject to revision. More will be revealed.

An FYI for Area RCM's and Alternate RCM's... A sample Area Report can be found on our Region's website. On naohio.org, click on "ORSCNA News". In the upper left corner of that page, click on "Documents", then scroll down and click on "Ex(ample) Area Report to Region". This sample report covers information that is helpful to the RD team in their communications with the Midwest Zonal Forum & World Service Conference.

Thank you for allowing me the opportunity to serve.

OCNA-38 needs a list of areas that are putting on fundraiser so we can try to have someone there.

Now that the holidays are past us. Time to push in booking your rooms. We are working on cost of registration-packages and cost of the speakers brings them here.

In loving Service,
Rodney C.

OCNA AC I:

Hello Family. Since our last meeting I conducted a more thorough review of the OCNA 37 Treasurer's records. The bank statements were consistent with the Treasurer's reports and summary. Although this was not an actual line by line audit, it appears that all funds were raised within our Fellowship and spent on legitimate Convention business, so I am signing off on it. Going forward I believe it is in our best interest to discuss the issue of audits. Many NA members believe they are necessary in order to provide accountability to our Areas, Groups and members. However, it's apparent that if they are done, when they are done and how they are done is not consistent within our Regional Service Committees and special events. I recommend a review of the language in our policies/guidelines and some discussion in order to clarify our position and provide adequate financial safeguards in the future.

I would also like to report that I have filed the OCNA Corporation tax return for last fiscal year with the I.R.S. and completed our annual financial report for the Ohio Attorney General. Charles, Aaron and I have been discussing issues related to the Advisory Committee and monitoring the progress of the OCNA 38 Convention Committee with the help of Rodney C. (Chairperson). The current Committee's financial position appears to be solid since they have paid the host hotel and have about 4k on hand. Fundraising efforts will continue to be important however to cover pre-convention expenses such as Registration packets/Programs, Speaker travel arrangements and merchandise. We expect Rodney to attend RSC today and update us in more detail with his report.

We have not yet heard from the Buckeye Region about Areas interested in hosting OCNA 39 in 2021. There has been some discussion about us attending a Regional Service meeting there in the near future in order to maintain and improve communications. We'll keep you posted. That's all for now.

Thanks for allowing me to serve and for helping me stay clean. In Service, Joe M.

Note: We are forming an Ad-Hoc to investigate the issue brought up in the report, and will bring what we discover to the next RSC.

Committee Reports

RD/RCM Meeting:

We began our meeting with Aaron giving us an update on the Authority to operate business for OCNA Inc Arron OCNA AC found that In 1995 the payment was not made and may have dissolved until 2005 when it may have been reinstated which is what we are using now and since.

We now know who the members that are on the 1st authorization are and I plan to contact them for their input, we also plan to open an Ad-Hoc committee with the Advisory Committee and members of the Admin Body, to research Aaron's info and brings some direction to our Region.

We tested our 1st Zoom channel and had a good time testing so we are moving forward and here are the Channels for the MZF CAR/Cat in Grand Rapids Jan. 24-26

3. Writing Steps for Recovery (*see attachments*)
We originally intended for it to be a part of the Outreach report, but it does involve PR and H&I as well. We ultimately decided to let the RCM's take it back to their areas to implement on a trial basis, collect data from one willing area and make adjustments for use on the regional level if necessary. GC along with several other smaller areas have decided to present this to their areas later in the upcoming months and I will be traveling to their ASC meetings to assist. If areas would like me to come and help they are more than welcome to contact me at 6149155024 or bentleymadisonl01@gmail.com to set up a date and time for an official Outreach visit.
