Regional Delegate:

Hello family, I do not have much to report at this time but what I will report is a lot. for instance, there have been many questions about what's next for the World Service Conference after 2023. Truly a legit concern for all

Ohio Regional Service Committee

Quarterly Meeting Minutes

of us this cycle and there are two initial recommendations for discussion. These ideas would be included in the 2023 CAR for Fellowship decision.

First recommendation is trying a three-year conference cycle for two cycles—from 2023 to 2029. In February, the board talked about some of the possibilities in a three-year cycle and are excited about what that might look like yet know, business as usual is not sustainable.

Second recommendation is that delegate funding be available to any participant upon request. Currently World Services automatically funds all seated delegates. An increasing number of participants have chosen to opt out and fund their own delegates. It is being suggested switching from an “opt-out” system to an “opt-in” one and funding would be available for the delegate of any seated participant without question.

Attracting members to service seems to be a never-ending topic that’s never out of season. Many service bodies have begun meeting in person after not doing so for months and participation has dropped off in many places.

On 19 March, we were able to hear from members around the world about what’s working for their groups and service bodies. There was Spanish and Portuguese interpretation, and a webinar was streamed on YouTube in English. As you can see, information is disseminated in various forms that all members have an opportunity to participate. So, if you have any innovations or new approaches to getting members involved in service, please let it be known.

Revising The Loner IP

Work has begun on a project passed at the last World Service Conference to revise IP #21: The Loner, Staying Clean in Isolation. The world has changed a lot since The Loner was written in 1986, and the IP is outdated.

Please note, all NA literature projects begin by asking the Fellowship what to include or focus on in the piece of literature. There is a survey posted (www.na.org/survey) for fellowship involvement and workshop materials on that same page so that you can discuss ideas with your group or service body.

What do you think should be changed in the IP? All members are encouraged to fill out the survey, which will be posted until the end of August 2022. If you have pre-pandemic experience recovering as a loner, we are particularly interested in hearing from you.

MZF Rotation

Buckey, Minnesota, & Tri State have not been in participation for some time and lost their place in the rotation. Therefore, Grater Illinois and Michigan are next

We are looking to have MRSLDNA 3 and concerns if same people will be filling positions or will others be participation which will be in 2024. Let your groups know we need support. All positions need to be filled.

The Interim World Service Conference 2022 will be virtual the last two weekends of April – 22, 23 & 29, 30 11am–1pm, 2pm–4pm, Pacific Daylight Time

On March 6, Kirby’s 60th birthday and the CAT/CAR workshop was a great learning experience. There were several addicts from the Dayton area in attendance so much gratitude extended to Gary B for extending invitations.

Having said that, we will be capturing area conscious at RD/RCM meeting later in the day.

On Wednesday, March 16 Steve Rusch NA World Services sent the following emails.

Hello, my name is Malissa. I am interested in starting a women's meeting in Xenia, Ohio. Not sure what I would have to do but, I'm willing to do whatever it takes. Thank you.

Dayton, five rivers, and Miami valley = Xenia, Ohio = Greene County

Hello Malissa – Thanks for writing to NA World Services and your service efforts. In response, it is helpful to note that NA groups are formed and facilitated by current NA members and separate and autonomous from other organizations. If you are an NA member, please review the information at the following

link: <https://www.na.org/admin/include/spaw2/uploads/pdf/servicemat/Group%20QuickStart%20Guide.pdf>

Group Starter Kits (GSK) are available for purchase; they cost less than \$10. Here is the link to our online store: www.na.org/webstore That is the quickest way to get a GSK. If funds are short, we can provide a free GSK. Just let me know, and we will get one out to you at our first opportunity.

We will send this email exchange to other NA members nearer to you, hoping that they may offer support for a new meeting.

Thanks again for writing. Feel free to follow up with any additional comments or questions.

Hi, my name is Shannon DeWaard I work at The Payne Church of the Nazarene in Payne, OH. Before covid hit we had a group that met on Tuesdays and used our fellowship hall.

They went to virtual and then stopped. Our church would like to still be used by NA to help and reach the community. I lack the knowledge of who to contact to see if there would be a person willing to run a group here.

Last night we had someone show up. Which tells me there's a need for it still. If you could send me information to this email that would be greatly appreciated or to Paynechurchofthenazarene@frontier.com that is the churches email.

Regional Committee Member Reports

BLASCNA (Best Little Area): *Present (Zoom), No report*

COASCNA (Central Ohio Area):

Hello everyone, my name is Tracy and I'm the RCM for the COASCNA region.

We are currently representing the **Delaware, Franklin, Madison, and Union Counties**

We currently are operating 23 in-person meetings and 10 Virtual meetings

Established meetings are reopening and new meetings are starting up as COVID numbers decline. These meetings may be meeting in different locations and at different times. As we no longer publish a schedule, it is difficult for our members to know where and when these meeting are. We can always point them to our website, but we can also spare a moment to tell them about a meeting. We currently are hosting number of meetings.

Our Area office has been getting a new spark of energy as an influx of letters coming from jails and Institutions from all over Ohio! There has been an overwhelming number of addicts behind the walls seeking recovery and sponsorship. Also, we feel that the momentum is building to soon be returning to all facilities in the next few months. We are reestablishing connections with our 23 commitments and adding a new commitment this month at Ohio Addiction and Recovery. We are continuing to partner with Public Relations to create zoom recording speaker videos to be distributed to iPad in the Ohio prison system. Next month I will provide a detailed report on the videos created and the status of each. •Had meetings with trusted servants in Florida and Alabama to share best practices and lessons learned when working with prison officials to provide free NA resources on the computer tablets of the incarcerated in their respective states; responded to requests from PR trusted servants in the Plain States Zone of NA to share information about it on prison tablets • In collaboration with WSR (Writing Steps for Recovery subcommittee), information on how to get paired with an NA member who will serve as a step guide was pushed out to the computer tablets of those incarcerated in the ODRC (Ohio Department of Rehabilitation and Correction). To date nearly 70 letters from incarcerated Ohioans have been received. • Started working with COASCNA H&I subcommittee in September 2021; sent the Chair a video from the United Kingdom's NA Fellowship that is getting shown on prison monitors there. Discussed with the Chair the possibility of H&I here doing the same thing. H&I committee members watched the UK video and discussed the possibility in October. In November I attended the H&I subcommittee meeting to help brainstorm what a video could look like (duration of video, how it could get pushed to the tablets, timeline, etc.). I contacted the H&I Chair who said that a video is ready, and that more are planned. We will work together to get these pushed out to tablets. o UPDATE: Video received from H&I Chair, and forwarded to the ODRC (Ohio Department of Rehabilitation and Correction) for review, who says that it should be fine, but they will need to get confirmation from OHMAS (Ohio Department of Mental Health and Addiction Services). •This month we would like to highlight one commitment that is in need of members to participate and help carry the message. I am requesting that GSRs specifically announce the following at their business meetings (and I have emailed this report to the secretary so you'll have all the details in the minutes): *Delaware County Jail -we are looking for men and women to go in separately -members needs to submit paperwork and receive training by the facility to

Ohio Regional Service Committee Quarterly Meeting Minutes

be cleared -to be cleared, members need to be one year clean, one year free from probation, incarcerations, and interactions with law enforcement -the meeting would take place weekly so we would need a regular commitment - probably on a Friday or Saturday *this is a commitment we used to meet prior to the pandemic and we would like to get it going again - please spread the word to all members / but especially those who may be geographically closer to Delaware and meet the requirements -again interested members should attend our April subcommittee meeting and/or reach out before then to start the clearance process Our H&I auction event/fundraiser was a huge success. Thank you to the members who donated, attended, shared,

The PR committee 02/07/2022 presented to 8 fourth-year medical students at The Ohio State University. These students will soon be practicing physician residents in our communities. An event tentatively called "Predecessors Day" in the summer of 2022. Planning is in early stages.

WSR Committee: So far, we have received 94 letters. 63 from men and 31 from women. We are currently reviewing and refining our original processes to accommodate how our information went out and be able to serve the addicts that are writing to us in the best ways possible. Our biggest need is Step Guides. Please join us in inviting new Step Guides by announcing at every meeting and function you attend and reaching out to any and every one in your contact list that we are looking for people who are willing to work steps by mail with incarcerated addicts seeking recovery. Simple go online at the area website under the WSR tab and fill out the application to begin the process. Feel free to reach out to us by email or to any of our members with listed phone numbers. We are happy to answer further questions. Or simply stop by our meeting, which is the second Thursday of the month on zoom at 5:30

Events:1. COASCNA 40th Anniversary: The committee has set up a FaceBook group & event and have invited as many addicts as we can. The group name is "COASCNA 40th Anniversary". If you join the group, please invite any other addict friends that you have. The only way this is going to be a successful function is if addicts spread the word. We appreciate all the help that we can get with that. As a quick reminder, it's going to be April 23rd, 2022, 10am-midnight at the Riverside Methodist Church. The address is 2695 Zollinger Rd., Upper Arlington, OH 43221. Here are some of the details that we have discussed so far: • Our 2 main speakers and the workshop speakers have been picked.

We are having an auction, 50/50 raffle, and a pie-in-the-face contest to help raise money. • We will be serving sloppy joes, chicken sandwiches, mac & cheese, pasta salad, and other snacks during the function and will also have time specifically for lunch and dinner. • OCNA-38 committee members will be present selling merchandise and registrations for the upcoming OCNA convention. Again, please get involved if you can and continue spreading the word about the COASCNA 40th Anniversary In Loving Service,

Tracy J

NWOASCNA RCM (North-West Ohio Area) Open

PUASCNA RCM (Phoenix United Area)

Hello Family, I'm an addict called Nichole,

The PU Area has been doing very well! We have been seeing an average of 15-19 addicts per meeting and 1-3 newcomers per week. Our meeting schedule has changed, due to our Russell's Point Lake meetings closing down officially as of February. I will make sure that the Webmaster has a copy of the updated meeting schedule.

We recently held our "Dusting off the Dinosaurs Speaker Jam" where we were able to celebrate our predecessors and hear them share their experience, strength, and hope! It was an amazing turn out and a lot of fun! So many addicts and newcomers pitched in to help with service positions, and we were also able to give out free literature to addicts in need.

We are now in motion to plan our next event. which will be our 5th anniversary that is happening in the summer (July/August). We will be having our next Activities Committee Meeting next Saturday, April 16th. Once I have a flier and more information, I will forward all of this to the Regional Webmaster to post on the website.

Our Area is holding elections this month for all of our positions at the area level. This is so exciting for us, because we have SO many recovering addicts who are wanting to get involved in service and want to be a part of our growing area. So we will have new officers in the next coming month.

We made a \$500 donation between last quarter and this quarter, and we plan to make another donation after our ASC meeting at the end of this month.

Overall, we are very grateful for the atmosphere of recovery our groups are witnessing, for the unison of our area coming together, and the experience, strength and hope that is being offered at our meetings.

Thank you all for your love and support, and allowing me to be of service.

In loving service,

Nichole K.

SASCNA RCM (Springfield Area)

Springfield area has 14 meetings at this time. 11 of them was present at the last ASC meeting. We have two vacant positions at this time. Meetings are growing and doing well. We have two current h&i commitments going into prisons. They have recently been given the green light to start going back into the county jail and the treatment facility. Our area convention committee has done a great job raising money and spreading the word for our upcoming convention sept 2nd, 3rd, and 4th 2022 downtown. We have a fundraiser June 11th. And our area family picnic July 3rd. We have a donation of \$1000. We are working on a place for the regional meeting in October. Soon as we have that locked in we will make a flyer.

STACSNA RCM (Stark, Tuscarawas, and Carroll County areas)

Good morning:

STACSNA serves Stark, Tuscarawas, Carroll, Wayne & part of Summit County. STACSNA currently has 19 groups hosting 21 weekly meetings. A few of our meetings continue to utilize the online platform and will continue to do so for the foreseeable future.

Our Area Service meets on the 2nd Sunday of each month and uses hybrid in-person/over Zoom format. We have two H & I meetings – one being conducted in person & one over Zoom. Our area website can be accessed at STACSNA.org. Most of our Area-level positions are filled. Our only openings are vice chair and RCM-Alt.

You may have noticed an update to the counties we serve. One of the Wayne County groups has officially joined us, since their prior ASC dissolved. We welcome them! We have added all the Wayne County meetings to our web site, so the Hopeline workers have a place to find that information. How do we inform Townhall that they can get Wayne County meeting info from our site?

STACSNA has a \$200.00 donation for the Region. Our Area treasurer sent it to the ORSCNA treasurer's home address.

Overall, attendance at our meetings is still low. However, local treatment centers are starting to bring their clients to live meetings again.

An ad hoc committee in our area is hosting an OCNA fundraiser golf scramble on May 14 in Canal Fulton. Our activities committee is hosting a bowling night on that same date in North Canton. They are also planning an event for the evening of July 9, so anyone coming to Canton for the Regional meeting will have a fun way to unwind. A different ad hoc committee is working on planning this year's OCNA fundraiser poker run, which will also be somewhere near our area, probably in August. More will be revealed.

In loving service,
Jo D.

Phoneline Coordinator:

Hi Family,

There have been no reports of downtime for the line this quarter. Attached are graphs illustrating the number and origin of calls over Dec. 2021 – Feb 2022. I have informed Townhall II of the updates to the region's areas in 2021 and looks like they have removed Area 13 and FFASCNA. As of yet, no calls are showing from the newest areas PUASCNA, SBASCNA and SEOSCNA - I'll follow up to confirm they have been added and should be reflected in the next quarter's report. At the last regional meeting I received contact information from trusted servants in PUASCNA and the former FFASCNA which I have shared with Townhall II in case they get calls from folks needing assistance outside meeting information. Any other areas are welcome to provide me with contact information if they'd like. As it stands Townhall knows they can always call me as well.

Just for our records I always like to include the contact info for Townhall II:

Webmaster:

Hello ORSCNA family,

I have been working with AJ to take over some of the Webmaster responsibilities. Right now he is managing all of the meeting updates and I'm taking care of updating the flyers/events as well as any changes to the other pages. There are a lot more pieces to the puzzle than when I last worked on it about 10 years ago. I am working on convincing AJ to take a break for a while, but as one might understand it's a little hard for him to let go of his baby. It's also going to take me a while longer to understand how all of the pieces work together and to feel comfortable if/when he decides to step away. In the meantime, I plan on working through all of the pages to make sure all of the links work and the pages are up to date. If anyone has any flyers or meeting updates, sees any issues with the websites, or has any requests to add/change/remove content, please email webmaster@naohio.org. That is the ONLY email address that should be used to communicate with the Webmaster.

Also, AJ sent me some website statistics. If you guys want me to review those right now, I will.

Thank you so much for allowing me to serve.

OCNA 38 Convention (Buckeye Region):

Hello all,

Hotel registration and registration for the event is available online at <https://www.ocna38.com/> Registration is \$30 up until the event. It will be \$35 at the event. Our registration form is available on the website. I have also attached a copy.

Programming updates: All speaker slots are filled and almost or all topics are assigned.

Fundraising and Entertainment updates: A DJ has been secured. The committee is working to secure a comedian. We have a contract in hand for a comedian that the F&E committee as agreed upon through group conscience and a motion has been submitted to sign the contract for the comedian. (This has since been approved). There are approximately 80 rooms remaining.

We have a balance of about \$11,409. Some noteworthy outstanding debts include a minimum \$2000 to the hotel for food and beverage, \$850 for the DJ, about \$1100 for the comedian, an unknown amount for the purchase of merchandise to sell. Our next meeting is April 16th at 11am at the Cleveland Marriott East. This is the same location as OCNA 38 (26300 Harvard Rd, Warrensville Heights, OH 44122). We will have another meeting on the last Saturday of April, April 30th. We will then have a meeting every Saturday in May leading up to the event. The event is May 27th, 28th, and 29th. Subcommittee meeting times and locations are available on the website. I will also attach flyers for some of the upcoming fundraiser events.

Welcoming committee and serenity keepers looking for people to serve the day of the event as greeters and serenity keepers.

OCNA AC:

Hello family,

OCNA 38 is ready to roll. Last I checked there were already 400 registrations. They have enough money at this point to know that the convention will make a profit.

Despite the high number of registrations, it does not appear that this convention has been advertised very well. I sent a flyer to the secretary to send out to RCMs. Hopefully I will see some of you there.

As for the next convention, at this time I do not know whether HAMASCNA is willing to host OCNA 39. I believe that they are up next followed by GCASCNA. I had some preliminary discussion with someone from their area, but haven't heard anything since then. If we are putting on an OCNA in 2023, we need to start immediately.

My three years are up in July and I am willing to renew for one more term. However, I don't know where to find a nomination form. Assuming that's an easy thing to get to me, I will fill it out and send to the secretary today.

RCM/RD Meeting: RD

Hello family, the RD/RCM meetings went rather smooth with areas experience some of the common issues spurred by the pandemic.

This month the World Service Conference would normally be meeting, but due to the pandemic things was forced to change. In August 2021, conference participants decided through epoll to hold the next WSC in 2023. The hope is that, by that time, financial and public health pressures will have eased enough that the 2023 meeting can be in person. In the meantime, there will be an interim, virtual WSC meeting in 2022 to make decisions required by law and policy as well as a decision about the Spiritual Principle a Day book.

Ohio Regional Service Committee Quarterly Meeting Minutes

Here is some encouraging information despite staffing and funding shortages, since March 2020 a lot have been accomplished since the world has changed. NA World Services has supported meetings and service bodies in more than 140 countries speaking 91 languages and publish in 56 languages. All of that is only possible by members voting their conscious.

World Service Conference 2023 in-person, if possible, 23-29 April 2023

The exact dates for WSC 2023 have not been established yet but will be finalized when a contract can be finalized for meeting space

Yesterday I reported only members from the Dayton area joined in on the CAT/CAR workshop on March 6, and the Interim WSC 2022 will be virtual, the last two weekends of this month the – 22, 23 & 29, 30.

The English 2023 Conference Agenda Report to be available in November 2022 with the Conference Approval Track material available following in January 2023. Regional and zonal report deadline is February 1, 2023. And Kirby and I will be having CAT/CAR workshops either January or February. So, let's do it again.

I received another email yesterday from a member of NAWWS stating they were contacted by a member in our region wanting to start a meeting. Then there was an update, the Rally Recovery group has started in New Concord in Muskingum County which is MEASCNA area. I did contact a member of that area and was able to provide contact information to that member.

Rally Recovery Group is an open meeting that meets Monday, Tuesday, Wednesday, and Thursday @ 5pm. I'll give Angel RCM MEASCNA the contact information.

RCM/RD Meeting: RDA

I first would like to thank the Central Ohio Area for hosting this quarter’s regional meeting and all those in attendance today, physically and virtually. Also, would like to thank the Ohio Region for letting me be of service.

The following results from the RD/RCM meeting yesterday, Marvin H. and myself will carry the Ohio Regions conscience to the World Conference for 2022.

CAR Motion#1 – Yes (4-1-4),

Motion#2- Yes (8-0-1),

Motion#3- Yes (8-0-1),

Motion#4- Yes (7-1-1),

CAT #5- Yes (7-0-2).

We would also like to welcome our newly elected servants to the Ohio region, Ben L voted in as OCNA chair, Tammy S voted in as vice chair and Mike C voted in as Traditions Retreat chair, thank you for your willingness.

One other concern, if possible to our fellow recovering addicts in attendance, if WE could reach out to some of the areas that gave no report and we not present yesterday and today to keep these areas involved with service. I reached out to BLASCNA and they have no CAR/CAT votes to report and no RCM at this time. The PUASCNA area voted yes to all motions.

In Loving service, J. Kirby Martin
