Regional Delegate (RD) report:

Hello family, I first want to wish everyone health, wealth, and prosperity as we continue through this new year. Hope life is serving you all well. It's crazy how fast time seems to be moving in my life, but I'm grateful. Last quarter I talked about my job shift and not being able to carry out the duties as a regional delegate. For instance, I couldn't attend the MZF that met virtually in September nor was I able to attend in November. I just no longer have the available resources to fulfill the duties as the RD. Maybe, just maybe, I can hold on and let my higher power take charge and watch the miracle happen. I do have faith.

Last month I received a call from Ryan M the RDA from the Arizona Region asking if our region will support their idea and request to submit a motion at the World Service Conference

“To create a project plan to explore responsible ways to make book length pieces of electronic literature available on tablets for the incarcerated population.”

Intent

To explore new ways to effectively carry the message through electronic literature to the incarcerated population while protecting the integrity of our literature through the FIPT.
(Fellowship Intellectual Property Trust)

There has already been some discussion between Lynette CD & Paul M and the following is what Paul M has communicated.

Kirby, Sam, and Violet ... Mark R. gave me your email addresses so I could include you in the conversation. Lynette is also copied.

Basically, the Arizona Region will submit motions to the WSC asking them to add to the CAR survey a project plan to explore making book length pieces of NA literature available to the incarcerated. Select IPs, the audio of the Basic Text, and Reaching Out magazine are available in English and Spanish, and some speaker tapes in English, were made available to the incarcerated this year.

The Central Ohio Area voted yesterday for our RCM Lynette C-D to submit a motion to ORSCNA on January 11th requesting that the Ohio Region consider co-signing the motions.

You can see the details in these attachments:

- Arizona motion 01
- Arizona motion 02
- Aging in Recovery's motion to COASCNA
- A draft of a possible ORSCNA motion

I'm also attaching info regarding the materials already available on the tablets, and facilities in Ohio and neighboring states that have access:

If there are any questions for Paul, he's happy to chat if that's easier, or you can hop on a Zoom call.

Midwest Zonal Form (MZF)

The Metro-Detroit Region is hosting the MZF on the following dates. (See PDF attached with the minutes)

February 22nd 8am – 9pm EST
February 23rd 9am – 12pm EST

A service-related workshop will be on Saturday from 2pm – 4pm

Best Wester Detroit Livonia 16999 S Laurel Park Drive – Room rate is \$85 per night.
Zoom ID = 761 587 3823 Passcode = MZF1987

Also, the Michigan Service Office is offering an opportunity for areas to save money on literature by placing your order and picking your order up at the MZF.

The following are the twelve motions that will be voted on at the interim conference.

Motion 1

To adopt for the 2025 Interim WSC and the 2026 WSC only: If a motion has consensus in an initial straw poll (that's 80% or more in support or not in support), the Cofacilitators will announce the results as a final decision. Intent: To minimize time spent addressing items the conference already has agreement on

Motion 2

To approve the 2023 World Service Conference minutes. Draft minutes are posted on na.org/conference.

Motion 3

To approve the 2025–2026 Narcotics Anonymous World Services, Inc. Budget. (See Addendum A) Intent: To have an approved NAWS Budget through WSC 2026.

Motion 4

To extend the 2023–2025 Reimbursement Policy through the 2026 fiscal year. Intent: To keep the 2023 WSC approved policy in place through the next WSC

Motion 5

To adopt for the current conference cycle only: The 2026 WSC will take a new step in Strategic Planning by using a revised process (described below) for the CAR survey to consider ideas for recovery literature, service material, and Issue Discussion Topics. Instead of submitting motions for project plans to create specific pieces of service material, recovery literature or IDTs for the 2026 Conference Agenda Report, conference participants will submit those ideas for possible inclusion in the 2026 CAR survey. Intent: To implement a process for all conference participants to collaboratively create a CAR survey with all ideas for Fellowship consideration of literature, service materials, and Issue Discussion Topics.

Motion 6

To update A Guide to World Services in NA (GWSNA) amendment deadline policy to include first draft due forty-five (45) days in advance of WSC and final amendment deadline thirty (30) days in advance of WSC. Policy affected: Current GWSNA—Amendments to motions must be submitted fifteen days before the opening day of the WSC. (pages 13 & 14)

Motion 7

To add to GWSNA amendment deadline policy to include first draft due thirty (30) days in advance of interim WSC and final amendment deadline fifteen (15) days in advance of interim WSC. Policy affected: Add to GWSNA (pages 13 & 14): For the interim WSC amendments must be submitted no less than thirty days with final form expected no less than fifteen days in advance of the opening session.

Motion 8

To add the following language defining amendments to the CAR & CAT-related paragraphs in GWSNA (pages 13 & 14): An amendment to a motion is a change or addition designed to improve the motion. The purpose of an amendment is to refine a motion to move the Fellowship closer toward consensus. An amendment should clarify, add, or subtract language that keeps the motion consistent with its intent. An amendment shall not replace a motion or introduce a

substitute or contrary motion. A motion to split or divide a motion is an amendment to the motion. Intent: To clearly define the purpose of an amendment and its relation to a motion.

Motion 9

To make the following changes regarding amendments and replacements of motions during the decision-making process to Addendum D (page 67) in GWSNA: 8. The Conference may decide to replace or amend motions that have been presented based on prior discussions. When the motion is presented, the WSC Co-facilitator may recognize any participant offering a replacement or amendment, or offer a suggestion to the Conference during the discussion of a motion. If supported by two-thirds of the Conference, the replacement/amendment will be accepted. The WSC Co-facilitator may interrupt this simplified process at any time they believe such action is warranted. Intent: To revise GWSNA to reflect the current practices of the WSC on how amendments or replacements to motions based on discussion are handled during business sessions.

Motion 10

All candidates for World Service positions are forwarded to the HRP from regions, zonal forums, or the World Board (RBZ). Intent: To ensure that all potential nominees for WSC election are forwarded through the HRP's RBZ process.

Motion 11

If Motion 10 is adopted, to redefine the purpose of the World Pool to be used to retain information on candidates forwarded for consideration by regions, zones, and the World Board as a part of the Human Resource Panel's nomination process. Intent: To revise WSC policy to reflect current practices.

Motion 12

To not utilize a seating workgroup for the 2023–2026 cycle. Intent: To attempt a simpler process for compiling seating information and recommendations.

Vice Secretary Report:

Hello Family,

It is with a heavy heart and much prayer that I must resign my position as your Vice Secretary. I have enjoyed serving with and getting introduced to you. I will still serve this program that has saved many lives, including mine. I believe I can make the most difference changing my focus to the group and area level of COASCNA. Attending ORSCNA creates a hardship both on my finances as well as my health. These are the deciding factors that lead to my resignation. I have full confidence that this committee will proceed to lead this region in the years to come. I want to thank you for your friendship and support.

Sincerely,

Tammy S.

PS. I've included the updated contact ledger.

Hello Family, I'm an Addict named Nonya

Thank you for your grace and patience as I learn this new position. It is a challenge for sure, but with Sam's help I am catching on. We began our quarterly business meeting with \$13,829.90 in the bank. Business on Saturday produced donations totaling \$1906.44. In addition, we paid expenses totaling \$1,531.97. This left us with an ending balance of \$14,204.37 prior to the World Services and MZF donations. Policy dictates we donate 10% of the end of Saturday balance to World Services and 5% to the MZF. Those donations were \$1,420.37 to NAWS and \$710.22 to MZF. Our final balance at the end of the day on Saturday was \$12,073.71.

Sunday began with a balance of \$12,073.71. We had donations of \$7,684.80 and expenses for Sunday of \$2099.64. This left us with an ending balance of \$17,658.87 at the end of business of Sunday. The weekend change in the balance of our account was a positive \$3,828.97.

Included with this report you will find the Income/Expense Statement for the organization for the January 2025 meeting. You will also find a balance sheet, treasurer's worksheet, checkbook register and deposit total for the January 2025 meeting.

If you have any questions, feel free to let me know and we can call Sam together and figure it out. 😊

RCM Reports

BLASCNA Report:

Hello family, my name is Tom, and I am an addict. Currently the RCM for the BLASCNA area.

The BLASCNA area is doing well and surviving on group 7th Tradition donations. We currently have 26 meetings in Lucas County and 2 in Fulton County. Two meetings continue as hybrid, live and on Zoom. One new meeting started in the last three months and two closed. We've recently had 11 to 14 groups represented at our monthly ASC meeting held at 565 Palmwood, the first Saturday of each month. Currently, our area needs a vice-chair, a vice-treasurer, an alt RCM, a PR chair and an Outreach chair. H&I hosts meetings in 3 facilities weekly. We've recently lost two facilities due to a death of a NA member in our fellowship. Phonelines continues to get 3 to 7 calls each week along with a dozen spam calls. Our new Activities subcommittee is working at having an event every other month. They seem to have great fun and lose funds. TACNA 26 had a great New Year's Eve speaker meeting, dinner and dance. Another event is in the works for February. At this time, we don't have anyone able to keep our website updated. Our former web servant is out of jail working at getting the time requirement to be of service.

We purchase monthly about \$600 to \$1100 worth of literature from either the Michigan Regional Service Office or NAWS. Currently the ASC bank balance is at \$9,040.00. I have brought an area donation of \$300.00.

New Motion

Our area discussed and passed a motion that was brought by one of our groups - Aging in Recovery. It is regarding the Arizona Region submitting 2 motions to the WSC asking them to add to the CAR survey a project plan to explore making book length pieces of NA literature available to the incarcerated. We would like the Ohio region to consider co-signing the motions. Paul M. from our area, has already reached out to the regional Chair, RD, RDA and Secretary with all the information and documentation. Meantime, I have printed out a hard copy for the RCMs to review prior to tomorrow’s vote. You can ask questions of my report now and we can discuss this afternoon in the RCM/RD meeting as well. The materials I am passing around include the original motion from the group, our proposed motion to the Region, the 2 motions from the Arizona Region, the current list of literature available on the tablets provided to the incarcerated individuals. Finally, there is a list of all the facilities in each state that are participating in this project. We will be submitting our motion in new business tomorrow morning.

No challenges at this time. From what I noticed from meetings that I have attended is that there is a lack of IP if any.

There are 3 commitments going on right now CROSSWAYS is on Monday nights need women volunteer, must be off probation for a year. Second one is North Central there is a speaker in there every Monday and its going well. The third is the Multi-County which meets Thursdays at 6p.m. female side is the only side operating. We need male volunteers with substantial clean time. Would like to bring more functions back, Pig Out for example. Would like to make current events bigger. Findlay has meetings, with no area. Would like to discuss inviting Findlay to join MOASCNA area. Diversity is our strength.

MVASCNA Report:

I am the RCM for the MVASCNA, our area serves Miami, Shelby, and Darke counties. We currently have 21 groups, 23 meetings, and 1 H&I panel, one going into the Miami county jail. We did have 1 going into the Shelby county jail, but have not been able to go in, because we haven't had enough participation..

We have had 3 meetings close in the last 3 months.

The monthly expenses last month for the MVASCNA Area are as follows:

\$20.00 paid to H&I for rent space

\$10.00 paid for MVASCNA rent space

\$10.33 for the phonline

That brought our total expenses to \$40.33

Our donations from the groups came to a total of \$240.64

We also received a donation in the amount of \$593.00 from our annual Gratitude Night, so we had a total income of \$853.64.

That gives us a total \$2,378.11.

We are making a donation of \$200.00 to the region today.

Our area was not able to have a New Year's Eve Bash this year sadly. Our area is really struggling with participation from its members. Any suggestions on how to get people excited and more involved I am all ears.

We have created an Ad-hoc committee with Wayne H. as the chairperson to go over policy and guidelines to make changes as needed to better serve our area. We did have a learning workshop on CBDM and possibly implementing some of that into our policies.

Finally the last thing is we will be hosting the next regional meeting in Piqua at the Baymont Inn. I was able to block out a total of 18 rooms, 8 for Friday the 11th and 10 for Saturday the 12th and the room rate is \$69.88 per night. When you call to reserve the room give them my name and they switch the room out of my name into yours. I think that concludes my report thank you for letting me serve.

Report

Hello family and thank you for allowing me to be of service. The Springfield area is doing well. Meeting attendance is consistent. The Monday night meeting has recently had to move, and is currently meeting at 225 E. High St. We are currently fundraising for our convention which will take place on August 29th, 30th, and 31st of 2025. We have been able to garner support and had a successful convention fundraiser on November 9th. We are gearing up for our next convention fundraiser on January 18. We are still reading the 12 concepts each area meeting as our intent is to help us with our service structure.

Thank you for allowing me to be of service.

SBASCNA Report:

The Unity Learning day/ Lasagna Dinner (OCNA Fundraiser) went well in Norwalk. The weather kept several people from the NE parts of Ohio from attending.

Our Area partnered with MOASCNA for the New Years Eve event. This event went very well! We had about 75-100 people in attendance. This was a large increase from the previous year's event. We hope to partner up with MOASCNA for more events in the future.

Upcoming events in our Area include New Hopes Anniversary on March 21st in Norwalk as well as Heart to Hearts Anniversary on the 25th of March.

STACSNA Report:

Good morning. STACSNA is the Stark, Tuscarawas & Carroll County area. We have meetings in 5 counties, including those already mentioned, as well as Wayne and Summit Counties. As of this time, we have 14 groups with 15 weekly meetings, including one virtual meeting. Our ASC meets on the 2nd Sunday of the month at St. Paul's Episcopal Church in downtown Canton, using a hybrid format. Most of the groups attend during most months.

Our Treasurer and Vice Treasurer have completed our Tax ID process and are in process of changing Banks. As of our last area service the setup with the new Bank had not been completed due to wreckage from the past, so other banks needed to be considered. At this time, we have no unlimited Zoom account and are hoping to have an account in the Area's name soon.

We have a new chairperson and Secretary but we still have open positions for; Vice Chair, RCM, RCM-A (After the April Regional Meeting), H&I, PR, and Activities. I will be completing my term as RCM-A which will end at the April Regional meeting. Due to health concerns with both my wife and myself, I will be unable to continue as RCM.

Although we have no H&I chair, H&I is holding steady with three presentations: one virtual meeting with a men's correctional facility, one men's in-patient treatment facility, and one co-ed in-patient treatment facility. The Chairperson at the virtual meeting will be stepping down at the end of May. We are trying to find someone with the willingness to chair that meeting.

Last month, Region Motion #2024-17 to add new section 4.1.6.3 was taken back to groups and was passed by STACSNA group conscience. A Motion for a vote of group confidence for RCM and RCM-A to vote on immediate issues at regional meetings was taken back to groups and passed by group conscience. A motion to donate \$200.00 to region was also passed by group conscience.

A list of our trusted servants has been sent separately.

Thank you for the opportunity to be of service.

In loving service,
Gregg G RCM-A

SVASCNA Report:

Hello family, I'm an addict named Sean. The SVASCNA is growing and doing very well. We have 10 meetings in our area now with one closing due to lack of support, however, we have a new meeting in Richmond Dale Ohio opening soon. We will also be holding our area meetings at this location beginning next month. E we have an OCNA fundraiser being held

in our area on February 15th. Also, our Two year area anniversary will be held in April, times and dates will be coming soon with a Flyer. We have an ad-hoc committee meeting to explore avenues on having a convention in the next few years, we currently have about 5,000 in our area bank account. Most our meetings are thriving, with average attendance at about 60-70, with one being having an average of 150-200 people weekly. Most are service positions are filled, except for H&I and vice secretary. We want to thank the Ohio Region for their continued support and encouragement for believing in us to help carry the message to the still sick and suffering addicts. We look forward to coming to region and being a part of such an amazing fellowship, I'm Sean C thank you for letting us be of service.

Subcommittee Reports

H&I Chair Report:

Hello all,

Since our last meeting, I have purchased the \$150 of literature (as mentioned in my last report), created the Welcome Packets for facilities, and written a generic letter for facilities that can be tailored to specific needs. I have 8 packets and 4 *Basic Texts* available.

Since I am not there in person today, I am willing to ship packets to H&I Chairs (at my personal cost) or in some cases visit your local subcommittee meeting in person if that's an option.

As stated in my last report, there is clearly a great need for the message to be carried to addicts, but the theme shared by RCMs is that there are not enough addicts willing or able to carry the message. These packets and/or this letter can keep the lines of communication open with facilities. And it's important to remember that individual members of NA should not attempt to start meetings or maintain contacts with facilities outside the bounds of our established subcommittees already doing the work. Sometimes the process is slow and it takes months and often years to build these relationships, so we need to ensure that members who want to get involved attend local subcommittees and work with members who have already been oriented and trained in the Dos and Don'ts.

I am available to any RCMs and Area H&I Subcommittee Chairs by phone or email if you would like to talk, problem-solve ideas, offer experience, strength, and hope.

Thank you for letting me serve,

Outreach Chair Report:

Hi FAMILY, I'm an addict named Matthew S.

So grateful to be allowed to serve this Ohio region and it's my high power grace; that, I'm clean today not trying to get clean.

It's been a really busy last quarter of 2024, not only with my personal life as well as my life with NA. I have had to privilege to visit many area events and functions. Starting with October events there were many Halloween events my significant other Angel and I decided to stay local and went to my sponsors homegroup annual Halloween event and it was one of the best Halloween events they've ever had. Our area is so fortunate with a bunch of abundant clean addicts getting together and having a great time clean.

However, some areas are not fortunate enough to be able to experience the camaraderie as my area does, NESNA

North east area service committee of narcotics anonymous which is a part of the buckeye region has an H&I meeting, but is not able to hold an area service meeting. I was informed my homegroup member that is in that area that they were thinking about finding an area that would best serve them so I asked a volunteer to visit their H&I meeting and find out information about their area service meeting, which was supposed to be following the H&I meeting. Do to a lack of interest the area service meeting I was unable to form in the H&I chair. I was informed by Chris D that their area wasn't interested in joining to another region. I will try to stay in close contact with the concerned member and see how we can best for fulfill their area needs.

Then I was able to go to the greater Cincinnati convention and I was really welcomed and it was an awesome black Friday. I love the unity Cincinnati has.

Then I was able to go to Scioto Valley area service committee of narcotics anonymous chili cookoff event message was carried and a lot of newcomers got the experience. Some great speakers. The chili was good..

I was invited to be a part of the Sandusky Bay area service unity and service lasagna dinner, they had a great lineup of speakers including me.

The mid-east area service committee of narcotics anonymous had their free annual holiday event which had awesome food and a speaker from MOASCNA Stephanie C. She laid a message out that was unforgettable. Thank you.

When an addict gets clean and finds a new way to live, the goals and aspirations are unlimited. I get to live my best life and serve this program, which gave me a life and I'll never be able to repay. Thank you for allowing me to be of service and I can't wait for the next quarter to begin

And loving service,
MATTIE S

Phoneline Chair Report:

ORSCNA's contract with Townhall was set to expire at the end of the year. I was advised by Townhall that there was no change in pricing in the renewal contract, and Sam reviewed it to confirm. Nonya signed the contract, as ORSCNA's treasurer, and I emailed it back to Townhall.

We allegedly have a new contact person at Townhall. Amanda, who had interacted with Lynette as our contact person, left the agency and told me that Tammy Hunter would be our new contact. However, Tammy has been non-responsive thus far.

When I emailed the signed contract to her, I did not receive a confirmation message. I emailed her last week to inquire about obtaining a copy of our quarterly report but did not receive a reply. I called yesterday to try to speak with her on the phone but got her voicemail. Again, I left a message but did not get a return call. Lynette checked the ORSCNA PO Box, and scanned a copy of our report to me.

In September, our phoneline received 34 calls. The largest number of information requests were for COASCNA, followed by "other." In October, we received 32 calls.

The largest number of requests were for "other," followed by requests about COASCNA. In November, we received 36 calls. By far, the largest number were for "other," followed by COASCNA.

I notice they are going off of very old information, tallying calls for Areas that have not existed for quite some time – like Finally Free and NW Ohio. It is probable that they do not have any information regarding our newer Areas, which may be contributing to the inordinate number of calls for "other."

I am going to be much more aggressive in the upcoming weeks to either get Tammy to respond to me or have someone at Townhall tell me who our contact person really is. I will have more for you next quarter. Until then, stay warm!

Thank you for the privilege of being of service,

Jo D

A fully updated version of Regional Policy is now posted on the Region's website.

Motion #2024:17 - regarding the disbursement of regional funds by the RSC Treasurer - is to be voted on in Old Business today. If passed, it will change the language in Policy Section 4.1.6.3 to read:

Webmaster Report:

(See attach web stats file.)

Hello ORSCNA family,

The winter in Phoenix has been awesome so far! Wish you all could be here.

Here are some of the things that were completed over the last quarter:

1. After the Fall Retreat was over, I removed all of the "products" that could be purchased and put a standard message on the website saying to check back in 2025 for next year's event.
2. I completed the annual OCNA Corporation filing on the Attorney General's website prior to the 11/15 deadline.
3. I updated the ORSCNA Policy file on the website with the new version sent by Dave L. It incorporates all of the recent policy changes over the last year and the ORSCNA diagram has been updated finally as well.
4. I added an eLiterature page under the "What Is ORSCNA" menu. It contains information for H&I and PR subcommittees about how incarcerated members can access our literature through their tablets.
5. I emailed the Host Gator invoices to Nonya.
6. As always, lots of flyer updates, meeting updates, and other requests for changes to the website.
7. I have put together the website statistics for the NAOHio website, the BMLT website, the Fall Retreat website, and the new OCNA-41 website. They will be included with the minutes.

If anyone has any flyers or meeting updates, sees any issues with the websites, or has any requests to add/change/remove content, please email webmaster@naohio.org.

Please remind those in your area that are submitting flyers to be posted that there are 4 required items before a flyer will get posted.

1. At least 1 of the registered NA symbols to indicate that it's an NA event.

2. The name of the service body or group that is hosting the event to indicate that it's an official NA event.
3. The full address of the location including city & zip so people not from your area know where the event is.
4. At least 1 contact name and phone number and/or email address so people can contact someone if there are any questions.

Thank you so much for allowing me to serve.

In loving service,
 Mark R.

2024 Fall 12-Step Retreat Chair Report:

(See attach financial spreadsheet file.)

Hello ORSCNA family,

The 2024 36th annual Fall 12-Step Spiritual Retreat was a great success. We believe that about 400-450 people attended this year. The main speakers and workshop speakers were all wonderful, and the weather cooperated all weekend. All of the kitchen activities and meals went smoothly, and we had a relatively small amount of stuff leftover. That stuff was either returned to GFS, stored in the storage unit for next year, sold to committee members, or donated to several treatment centers that attended. We used a ticketing system this year for the meals and that worked extremely well. We stressed to everyone to have their tickets ready and everyone was very cooperative. We had very little merchandise leftover (about 20 items) and that stuff was either purchased by committee members or donated to the people who stayed and helped clean up on Sunday. The clean up on Sunday was awesome. We ended up waiting for the park rangers for about an hour. Usually, they are waiting impatiently for us to get done. And they found nothing that didn't meet their requirements for cleanliness.

As far as the finances are concerned, this is the most that has been returned to Region that I can remember. I have submitted the final financial spreadsheet to the Secretary and it will be sent out with the minutes. A quick summary is as follows:

Starting balance	\$3,056.33
Total Income	\$24,897.43
Total Expenses	\$17,986.97
Ending balance	\$9,966.79
Donation to Region	\$6,166.79
Starting balance for 2025	\$3,800.00

We conducted an audit on Sunday 11/24/24. According to regional policy, the ORSCNA Treasurer (Nonya), ORSCNA Vice-Treasurer (vacant), ORSCNA Chairperson (Sam), outgoing Retreat Chairperson (Mark), incoming Retreat Chairperson (Jesse), outgoing Retreat Treasurer (Heather), and incoming Retreat Treasurer (Heather) are supposed to attend. The 5 of us met on Zoom since I was already in Phoenix. Of the 4 tasks required in policy, only 2 were applicable and we completed those 2 tasks.

- Validate the check register balance since the last audit by making sure all debits and credits add up accordingly and are logged correctly.
 - We use Excel so this really isn't applicable.
- Reconcile all bank statements against the check register. Balance the check register against each monthly bank statement to verify the account balance.
 - We completed this using the last 11 bank statements and the Treasurer's financial file adding an "Audited" column to mark off each transaction as it was matched with the bank statement.

- Verify that all receipts written from the receipt book total what monies came in and that those monies equal the amounts deposited to the checking account.
 - Since online registrations are done through PayPal and go directly into the bank account and we don't use a receipt book during the Retreat when cash is used, we didn't complete this task.
- Verify that all disbursements of funds are accounted for and were appropriate expenditures and are accounted for with valid receipts & financial forms.
 - We went through each expense and Heather showed us the valid receipts through the camera. We added a "Validated" column in the Excel file to indicate that each expense transaction had been validated by the audit committee.

Lastly, I want to thank the committee this year for doing such an amazing job – both in putting on such a great retreat as well as being fiscally responsible. They are the ones doing all of the work and the effort that they put into it this year really showed based on the rave comments of those who attended as well as on the excellent financial results.

In loving service,
Mark R.

2025 Spring 12-Traditions Retreat Chair Report:

Good morning! Tar Hollow Traditions Retreat had our first fundraiser December 14th. We made \$601. The contract has been signed and deposit put down with the campground. We have also included a map with our registration forms to show the temporary entrance with Tar Hollow closing. Please let all your areas know that despite the rest of Tar Hollow being closed, we will still be meeting and will do everything we can to guide people through the new route with signs. Please encourage pre-registration as there is concern that attendance will be negatively impacted by the closure. Either way, we will be there sharing a message of hope and community.

Thanks for letting me serve!

OCNA Advisory Committee Report:

Hello family,

OCNA 41 is going strong. If you are able, please register and book a room.

GLASCNA has agreed to host OCNA 42 in 2026. They have a chairperson and a committee. They are currently looking at potential hotels.

I have spoken with the OCNA AC member from the Buckeye region. He has reviewed my proposed changes to the OCNA Guidelines and agrees with them. We are looking to have a report and motion to present to both regions in April. I fear that there are things that I have not thought of which need to be added to the guidelines. If anyone here has knowledge and a willingness to review, I would be happy to send you the redline and get your input. I feel like I have been a one person committee on this project and would really like some thoughts from others. The guidelines are difficult to get changed since both regions need to approve, so I would like to get this version as good as it could be, and I believe that it takes more than one person to accomplish that.

Aaron

Region is looking for feedback on making an amendment to split motion 5 into two parts.

Motion 5

To adopt for the current conference cycle only: The 2026 WSC will take a new step in Strategic Planning by using a revised process (described below) for the CAR survey to consider ideas for recovery literature, service material, and Issue Discussion Topics. Instead of submitting motions for project plans to create specific pieces of service material, recovery literature or IDTs for the 2026 Conference Agenda Report, conference participants will submit those ideas for possible inclusion in the 2026 CAR survey. Intent: To implement a process for all conference participants to collaboratively create a CAR survey with all ideas for Fellowship consideration of literature, service materials, and Issue Discussion Topics.

To explore new ways to effectively carry the message through electronic literature to the incarcerated population while protecting the integrity of our literature through the FIPT.

Paul M was present to offer some clarity on this issue. Dave L shared that perhaps NAWS can present this in a survey information in a survey. One member shared that some inmates have access to funds and can buy items, so another member asked, “is this about profit or carrying the message”.

A member shared they discovered that basic text are being sold on amazon which means someone is making a profit.

DASCNA

Working on convention and fundraisers and is very excited to be able to carry the message. Meeting attendance is low and not a lot of experienced members stepping up.

FRASCNA

Had a group bring a motion for the five-river area to put on a convention which was shot down because there is already a lack of participation.

GCASCNA

Results of area’s inventory made a new packet for GSR’s and they will get a copy of contact list. Sadly, this area had to move 3 times in 3 years and is looking for a stable space.

Asking for help to in understanding 5013c concerning clubhouse and is it against traditions to ask for individual donations.

MEASCNA

How did your area resolve the issue with group not following the traditions?

Invited them to area and was suggested that they show up 2 consecutive meetings.

Over the holidays meetings were closed which was concerning

MOASCNA

First and foremost, excited to have an alternate. It was shared that cameras in the meetings and facility would not move cameras. Because of this issue they entertained having "What is the Narcotics Anonymous Program" wording changed from Under no surveillance at any time to?????

Short on literature

MVASCNA

Struggling with participation, no one wants to take suggestions, and meetings are closing or decreasing attendance.

It was stated that strong sponsorship family could help to increase participation. Have a sponsorship family that is demonstrative and serve with an attitude of trust. Show newcomers how cool it is to serve. Serve and wait for the miracle.

If you want someone to step up, stop talking about service like it's the worst thing in the world. More importantly, lead by example or cater meetings towards the newcomers.

SASCNA

August speaker jam at recovery ex in spring field. Talk about the benefits of service

SOVASCNA

Is self-supporting

STACSNA

Struggling to fill positions, people are getting older and not willing to expose themselves is part of the problem. Greg says he is getting to the point of giving up his position.

SVASCNA

Doing well. Members are willing to step up. More individuals from treatment are coming out and getting active.

As we all have seen, being a part of service has its rewards. We watch the ebbs and flow of doing well to not doing so well. Although it is easy to see that more members are needed to step up, we have to thank our higher power that he have us in position.
