**O.R.S.C.N.A.
Chairperson Report
April 2025**

Hello Family, I'm Sam and I am an addict:

I'm grateful to be clean and of service to the Ohio Region. I want to thank everyone for the welcome and assistance I've received while performing the duties of RSC Chair. It's hard to believe that it is nomination time already. Time really does fly. I think this has been a smooth year and hope that you feel I've done an adequate job at my position.

I celebrated 17 years clean last week and I've been involved with regional service for over 14 of those years in some capacity. I started as an RCM alternate for Greater Cincinnati. As RCM's start to rotate out of their area positions, I hope you give serious consideration to continuing to serve the region in some way. I've found it to be a rewarding and central part of my recovery. This group can't continue without the involvement of addicts such as yourselves.

I appreciate your patience and support.

Good morning NA, Family,
I was able to attend the MZF in Livonia, Michigan in February 2025. We focused on building unity amongst groups and areas. Bingo Cards for meetings in the area with prizes of convention registration or NA memorabilia. Encouraging younger members to be of service, by requesting that the position be filled by those only with 5yrs or less or that with over 5 yrs or more clean time not to fill those positions. Also, on expanding ways that our members can donate to groups, areas and regions. Via CA\$HAPP, VENMO, ZELLE OR PayPal with QR codes or barcodes made available to members. The Tri-State Region showed a 71% increase in donations by applying this method of payment.

Dezz G. from the Wisconsin Region is being nominated for an upcoming open position with the World Board. The MZF offered to support her nomination in the upcoming nomination.

Also the topic of ballot voting for upcoming old business motions or elections to help save time in the voting process.

Report from RCM-RD MEETING

A brief summary of yesterday's meeting is as follows:

A question and discussion was had on how there could be better communication between regional members, perhaps using some sort of group chat or text. After much discussion we concluded that this would add to the already existing chats and app notifications that some already partake in therefore adding to more notifications. Also it was pointed out by using one's own phone or computer that you can create your own group on your personal device.

It was also mentioned to try to help save time at regional and area meetings that a previous made ballots be made to address old business matters and elections that are 3 months away to keep from taking time to have people leave the room then vote then they come back to the room for the chair, vice chair, RD, RD Alt, secretary, vice secretary, treasurer, vice treasure, phoneline, webmaster, vice webmaster, PR chair, H&I chair, Outreach chair, OCNA AC3 and Spring Retreat chair all taking place at the July meeting. There may be a motion forthcoming to possibly give some more clarity on this topic. Although an Area may send in their report and their selections for said positions if they are unable to attend. Henceforth the regional policy does not use the word proxy vote this is essentially what that is, I think we would not want to get too pedantic and get into the semantics of it all with expanded vernaculars and sentext that will have us in the weeds where resentments and anger lay waiting to destroy our fellowship from within and take our focus off our primary purpose to carry the message to the yet still suffering addict. And I digress.

Also, in COASCNA area about treatment centers and/or rehabs lack of understanding of what N.A. sponsorship roles and responsibilities are. It is for the benefit of the newcomer not the facility. It was pointed out that we have two Informational Pamphlets that cover this topic. That would be "For those in treatment" & "Sponsorship".

The Cincinnati area have formed an Ad-hoc committee to address where they are going to move their area to and also purchasing a building by the area. There were some suggestions that had been done before and because of a few ruining it for the whole bunch and also the legal nightmares that might be waiting they may want to reconsider that option. Cincy will always find a way so GODSPEED.

BLASCNA

BLASCNA Report to ORSCNA 04-12-25

Hello family, my name is Tom, and I am an addict. Currently the RCM for the BLASCNA area.

The BLASCNA area is doing well and surviving on group 7th Tradition donations. We currently have 26 meetings in Lucas County and 2 in Fulton County. Two meetings continue as hybrid, live and on Zoom. One new meeting started in the last three months and one closed. We've recently had 13 to 18 groups represented at our monthly ASC meeting held at 565 Palmwood, the first Saturday of each month. Because of a TACNA 26 fundraiser last weekend our area service committee is meeting today, so I was unable to get the quarterly regional donation from the treasurer. I will ask him to mail the donation or provide two in July.

Currently, our area needs a vice-chair, a vice-treasurer, an alt RCM, a PR chair and an Outreach chair. H&I hosts meetings in 3 facilities weekly. Phonelines continues to get 3 to 7 calls each week along with a dozen spam calls. Our Activities subcommittee is working at having an event next month. TACNA 26 had a Sponsorship Gala Banquet last Saturday which was well attended by over 150 members. A one-of-a-kind NA tee shirt was auctioned off for \$811.00

We purchase monthly about \$600 to \$1500 worth of literature from either the Michigan Regional Service Office or NAWS. Currently the ASC bank balance is at \$7,742.15.

FRASCNA report:

Five Rivers Area of NA

Good morning,

I'm an addict named Martha, RCM for the Five Rivers Area of Narcotics Anonymous.

Our Area is doing well. We have sixteen groups holding meetings. Last Area meeting we had XX groups present.

- Our Area Service Committee meets the 4th Sunday of the month at 2pm in person.
- Activities meets the third Sunday of the month at 1pm via Zoom.
- Our Local Service Subcommittee (LSC) meets the third Sunday on the month at 4pm via Zoom. This subcommittee works together to facilitate H & I, PR, Outreach, Flyers, Phoneline and Website.
- Outreach has a separate subcommittee meeting the fourth Sunday of the month at 7pm via Zoom.

PR has been doing presentations at home groups as requested. I participated on a panel where we did an, "ask it basket." There were some really good questions and hopefully addicts got information that will encourage them to get involved with service. PR has a couple of other presentation scheduled so far.

Our Area is reviewing a section of our policy at each ASC meeting to help addicts get acquainted with policy and identify if changes need to be made.

We have added a "Help Wanted" tab to the website to help addicts see where they can be of service.

Our Area now has a Facebook page. Admission is by invitation only.

We held a Spring Retreat fundraiser, 29 March and had good turnout for the event.

Activities: Laser tag April 27th. 30 slots available but can get more if needed. See the flyer for more details.

New women's meeting started March 24th: Women Do Recover 6:30-7:30 Mondays Beaver Creek, Ohio.

H & I has three commitments: One women's mtg a month, and two men's meetings. We are hoping to get back into Greene County Correctional Facilities as they open the new facility.

Our Area is thinking about doing a function for Unity Day in September.

We are still conducting banner wars with members cheerfully showing up to steal group banners. This has been a fun way to get addicts visiting other meetings.

Love and Gratitude,

Martha B.

HAMASCNA report:

Hello Family,

It is both a pleasure and an honor to serve the HAMASCNA area and the Ohio Region. My name is Ryan A., and I am an addict. Our Regional Committee Member Team includes myself and Mack M.

The H.A.M.A.S.C.N.A Area covers Butler and Warren counties. Currently, we have 16 groups and host 16 meetings. Our Hospitals and Institutions (H&I) committee visits four treatment centers each week and plans to begin outreach to two additional facilities in the near future. During our last Area Service Committee meeting, we had nine Group Service Representatives (GSRs) in attendance. Over the past three months, one meeting has relocated, and our newest meeting, Without Parallel, continues to face challenges with attendance. Additionally, one group has folded during this period.

In terms of finances, our quarterly expenses for the HAMASCNA Area were \$3,698.72, while our total income for the quarter was \$3,387.00, resulting in a net loss of \$311.00. Donations from groups to the Area totaled \$634.30, and our Activities committee contributed \$202.00 back to the area. We will be making a donation of \$48.93 to the Ohio Region this quarter. Overall, our income has remained steady, with increased contributions from Homegroups compared to previous periods, although our Activities events generated significantly less income than last quarter.

Currently, we do not have a designated literature distribution chairperson, but we have elected a vice chairperson. As an area service committee, we have worked together to order and distribute literature to the HAMANA Homegroups. While we typically source literature from the World Service Office, some groups have chosen to obtain their materials from other sources. The distribution of literature, H&I efforts, and the lack of participation from Homegroups are the primary challenges we are facing at this time.

Several service positions remain unfilled, including Public Relations, Literature, Policy Administration, and Vice Secretary. As mentioned in the previous quarter, we have faced challenges with H&I engagement and organization over the past year, lacking any clear structure. However, I have recently taken on the role of H&I Chairperson and held a productive Subcommittee meeting last month with around 15 participants. During this meeting, we elected a Vice Chairperson, Secretary, Vice Secretary, and panel chairs. I have been in touch with the Butler County Jail and The Hope House (a shelter and treatment center for men and women), focusing on rebuilding our relationship with the Women's Jail. This effort includes getting female panel members approved and oriented before we return to regular H&I meetings. Progress is being made, and the outlook is promising in this area.

Justin B. has adapted well to his new position as Chairperson for Serenity in the Woods. Although the planning for this summer's campout started later than preferred, the subcommittee meetings are showing potential. They recently held their first fundraiser, the Staying Green in Recovery Speaker Jam, which attracted a good turnout and generated a profit of \$631.31. I have also brought Staying Green in Recovery shirts to sell for \$20.00 each.

Overall, things are looking up. We are excited to host OCNA and have dedicated significant effort to ensure a successful event while maintaining our momentum. Looking ahead, we have our area Cookout in June, where we will elect trusted servants for the upcoming year, OCNA in May, and our annual campout in September. After that, it's just a cycle of Wash, Rinse & Repeat for our area.

Our area is registered as a Nonprofit Corporation. We meet at 2910 Central Avenue, Middletown, Ohio, on the third Sunday of every month at 12:00 PM. Additionally, we have a separate Activities Subcommittee and Serenity in the Woods Subcommittee that organize various events throughout the year, including our annual Campout Convention.

Our upcoming events are:

5/23-25/2025

Ohio Convention of NA
Champion Mill Conference Center
600 N.B Street Hamilton, OH

7/7/2025

Spring Fling (Serenity in the Woods Fundraiser)

Thank you for allowing me to be of service,

She is also looking for volunteers to assist with the table at the steps of change, which will be May 10th this year.

In other news A blank page group has been removed from schedule, and the reasoning was they do not want to follow traditions, and don't want to be part of the area anymore.

Second one is North Central there is a speaker in there every Monday and its going well. The third is the Multi-County which meets Thursdays at 6p.m. female side is the only side operating. We need male volunteers with substantial clean time. Would like to bring more functions back, Pig Out for example. Would like to make current events bigger. Findlay has meetings, with no area. Would like to discuss inviting Findlay to join MOASCNA area. Diversity is our strength.

At this time MOASCNA is experiencing issues with our promises and traditions in lue MOASCNA area is asking due to environment changes do we need to change wording in our reading WHAT IS THE NARCOTICS ANONYMOUS PROGRAM that we are under NO survalance at any time. MVASCNA report:

I am the RCM for the MVASCNA, our area serves Miami, Shelby, and Darke counties. We currently have 18 groups, 21 meetings. We currently have 1 H&I panel going into Miami county jail every week, rotating the men and women on opposite weeks. Our H&I subcommittee is currently working on ways to be able to go into the Shelby county jail and Darke county, participation is the biggest issue in our area.

We have had at least 2 meetings close in the last 3 months

The monthly expenses last month for the MVASCNA Area are as follows:

\$ 43.62 for MVASCNA Literature shipping cost

\$20.00 paid for MVASCNA rent space

\$10.33 for the phonline

\$ 530.16 for MVASCNA storage unit (12 months)

\$ 10.00 for H&I rent space

\$ 111.70 for MVASCNA Literature H&I re-embersement

Our total expenses equaled out to \$724.81

Our donations from the groups came to a total of \$50

That gives us a total \$1,532.38

We are not able to make a donation to Region today, but are very grateful to be hosting the regional meeting this quarter.

Our area was able to come together with the help of OCNA, and put on this years OCNA fundraiser which is taking place from 3-7 p.m. this afternoon at 9411 N. County rd 25A here in Piqua. It is a Speaker Jam first speaker starts at 4 last speaker at 6:15 there will be food raffles 50/50 and auction, so come join us after the meeting for some great recovery and fellowship. Our Adhoc committee is still meeting once a month to revise the policies and guidelines for our area and is going well. We have had a couple outside organizations reach out and ask about having an NA presence at their events. We currently do not have an Area Public Relations Chair, but our Regional Public Relations is willing and ready to help along with some other addicts to carry the message.

I do want to apologize for any issues you may have had booking a room for this weekend, it has definitely been a learning and humbling experience for me but I'm glad everyone is here and thank you for allowing me to serve.

PUASCNA report:

Our Area is doing well. We continue to hold 8 meetings a week highlighted in our local schedule. Our meetings located at the Recovery Zone have been relocated to a local church until the remodeling is completed. This should be in July. Attendance improved over the last quarter and nearly all home groups have more than one home group member. We have taken action to eliminate some positions from our area due to demand and availability of members. We no longer have an H&I Committee, Outreach, or a Public Relations Committee. With our new structure we currently have all positions filled to accommodate NA services in our local area. Our next event is in the process of being planned and will be our annual anniversary for the fellowship locally and generally takes place in late July. We will be donating 500.00 dollars to the region.

In loving service Chuck

Report

Hello family and thank you for allowing me to be of service. The Springfield area is doing well. Meeting attendance is consistent. We have voted in a new literature chair and she is settling into her position well. We are currently fundraising for our convention which will take place on August 29th, 30th, and 31st of 2025. We have been able to garner support and look forward to having a successful convention fundraiser celebrating mothers in recovery on May 3rd. We are also gearing up for another convention fundraiser on May 31st and our area picnic on July 20th. We are still reading the 12 concepts of each area meeting as our intent is to help us with our service structure.

Thank you for allowing me to be of service.

SBASCNA report:

SBASCNA Area Report to the Ohio Region

Hello Family,

The geographic area served by the Sandusky Bay Area is Erie, Huron, Ottawa, Richland, and Sandusky. Our area presently has nine groups, thirteen meetings, and no H&I panels. We do have a new H&I chair, so if anyone is interested in volunteering to go into the facilities to share, I can provide you with his contact details so that you can reach out to him.

At our last Area Service Committee meeting, seven groups were present. Our next area meeting will be on May 4th at 4:30 PM located at the First Baptist Church, 67 East Main St, Norwalk, OH. There will be subcommittee meetings at 3:30 PM prior to our area meetings for both Public Relations and Activities.

In the past three months, no new groups have started in our area and no groups have closed.

Violet has an updated meeting schedule for our area for anyone who needs one. With our recent change in elected officials, the trusted servants list has not been updated. It will be provided to the secretary as soon as it's done.

Today we have a donation to the Ohio Region for \$150.00 and we are also donating to OCNA 41 in the amount of \$200.00. The OCNA donation is from the funds made from our Lasagna Dinner in December.

We still have positions available in our area. These positions include Vice Chair, RCM-A, and our Treasurer would love it if someone else wanted to step up. Our area has set dates for some of our annual functions. We will be holding our annual Grill and Chill on June 22, 2025. There are flyers available to take with you, and they will also be included in this report that is sent to the secretary. We have also just reserved the date for our annual Chili Cookoff. It will be held on October 22, 2025. The flyers will be available soon with more information.

I would also like to thank the committee for allowing me to be of service. It has been many years since I have been involved at the regional level, and I am looking forward to the next year with everyone here.

In Loving Service,

Jennifer B.

STASCNA report:

To: ORSCNA

From: STASCNA

Date: April 12 & 13, 2025

STASCNA is the Stark, Tuscarawas & Carroll County area. We have meetings in 5 counties, including those already mentioned, as well as Wayne and Summit Counties. As of this time, we have 14 groups with 15 weekly meetings, including one virtual meeting. Our ASC meets on the 2nd Sunday of the month at St. Paul's Episcopal Church in downtown Canton, using a hybrid format. Most of the groups attend during most months.

Our Treasurer and Vice Treasurer have completed our Tax ID process and have the new bank in place. At this time, we have no unlimited Zoom account and are hoping to have an account in the Area's name soon. We are trying to get a loadable credit or debit card for the area as Zoom requires a card for payment.

We have many open positions in our area; Vice Chair, RCM, RCM-A (After the April Regional Meeting), H&I, PR, and Activities. We are having a difficult time getting people to step up to do service. I will be completing my term as RCM-A which will end at this April Regional meeting. Due to health concerns with both my wife and myself, I will be unable to continue as RCM. As of this time we will have no representation at region in July. We are hoping that this changes.

Our H & I Presentations have decreased from three to just one. The meetings at the one men's in-patient treatment facility, and one co-ed in-patient treatment facility have closed due to having no one willing to chair the meeting. The virtual meeting at the men's correctional facility is having difficulty getting Literature for the meeting due to not having a literature or H & I chair in our area. The chairperson for that meeting is stepping down after five years and no one has the willingness to continue it. It may also shut down at the end of May.

The STACSNA area will be hosting ORSCNA the weekend of Oct. 4&5. Information will be on the flyer or contact Nonya W at nonyawenger@gmail.com.

Our Area will be Donating \$200 to region this quarter.

A list of our trusted servants has been sent separately.

Thank you for the opportunity to be of service.

In loving service,
Gregg G RCM-A

SVASCNA report:

Hello, my name is Sean and I'm an addict. The SVASCNA has 11 meetings serving Ross and Pike counties. We have continued to grow and have made entrance into the Ross county jail and Hope valley recovery as our H&I if starting to reach those that struggle to get to outside meetings. Members of our area are starting to collect clean time, we have had 5 members correct multiple years in the last few months, and our area chair just got his 7 year medallion on April 4th. It's amazing to watch this fellowship transform lives and allow them to find a new way to live. We are going to be celebrating two years as an area on April 26th from 12-8. We are excited to be a part of the Ohio region and to continue to learn, grow, and to continue carrying the message to the addict who still suffers. Thank you for meeting us to be of loving service. I'm Sean C and I pass.

Committee Reports

H&I Chair report:

H&I Regional Chair

Hello all,

I'm excited to share that the Regional H&I Subcommittee has signed up to participate in an OCNA workshop that currently we are calling an H&I Open House. Today at 3:30 pm, we will have a planning meeting for that event. OCNA has set up a zoom call for us for 3:30pm and to the best of our ability, we have contacted all H&I chairs throughout the region and invited them to attend today in person or online. That being said, I'm not sure where our bodies will be, but more will be revealed on that. (Note we met in the breakfast area of the hotel) I would like to request \$100 for printing, poster board and markers for the OCNA workshop. And I will put in a motion for that.

We are working on revamping the H&I page of the regional website. We would like to have links to useful resources that could be used by H&I chairs throughout the region as well as a regional map by county that has boundaries for the areas as well dots for the prisons and jails. I'm not sure how feasible this is but we will play

around with it in conjunction with the webmaster and report back next month. We think a visual map would be super useful for everyone, not just H&I and Mark said we used to have this.

I'm also excited to report that I will be nominating Todd E. today for Regional H&I Chair, and he is currently the H&I Chair in KORASCNA and has been participating in regional H&I service for the past two years.

I brought our starter H&I literature packets today as well as my receipt for the purchase of literature from the October quarterly budget (\$150). We followed the list of allowed literature to purchase in policy exactly. That being said, I would like to make a motion to use our April \$150 available budget to purchase soft bound Basic Texts only and no IPs since we have plenty of those already. We will donate the soft bound Basic Texts in a prudent manner to jails or prisons in need throughout the region. I know from "talking to members and visiting various groups" that there are some areas that cannot afford to purchase as much literature, so we can donate these as needed. I believe we can purchase approximately 10 softbound books with the 150.00

I'm going to be on vacation in July and will not be able to attend my final meeting as Regional H&I Chair. Sad face emoji. I can send a report and as always, I'll be in contact with Todd. Hopefully he will be voted in as the new chair and service will be seamless.

I am available to any RCMs and Area H&I Subcommittee Chairs by phone or email if you would like to talk, problem-solve ideas, offer experience, strength, and hope.

Thank you for letting me serve,

Emily T

4-13-25

Notes below are from our meeting on Saturday afternoon.

In attendance: Emily T (chair), Brandon T. (DASCNA), Todd E. (KORASCNA), Todd S. (MEASCNA), Ryan A. (HAMASCNA)

We discussed the OCNA workshop and here are the takeaways:

a. We would like to have some type of visual - possibly a map of the counties/areas that is colored coded and numbered and then each area will have a number/color at their table that matches to the map. That way we only need one poster board and chairs don't have to prepare anything.

b. We would like each chairperson to try to bring 3-5 active members from their H&I subcommittees and possibly have representation from a variety of panels and facilities.

c. We would like each chairperson to come with the following:

*what's working well in your area (a celebration) - please discuss this at your next subcommittee meeting and come with a consensus from your subcommittee)

*what do you need help with or feedback on (or both) in your area - please discuss this at your next subcommittee meeting and come with a consensus from your subcommittee)

*any printed resources that you are willing to share such as: policy, dos and don'ts, formats, letters, flyers, etc.

[NOTE from Emily: if you email items in advance, I can do the printing for you with my funds I requested from the region for the event.]

d. The purpose of this OCNA open house workshop is to pool our resources together and encourage collaboration between the areas. In addition to celebrating what collaboration is already happening.

e. The format will be as follows: (this is a rough draft)

- i. Open with the serenity prayer - we need to ask someone to "chair" - maybe another H&I chair that has been active but wasn't able to attend today
- ii. Mini-lead on the power of the H&I message - Todd S. -heard the message in prison, still clean and active in H&I service (5-7 minutes)
- iii. Spiritual principle of prudence with resources - Emily T - (2-3 minutes)
- iv. Spiritual principle of perseverance with facilities - Todd E (2-3 minutes)
- v. Purpose and flow of workshop - Ryan A. (2-3 minutes)
- vi. Collaboration Time (45 minutes)
- vii. Last 10 minutes - call to order and ask people to share brief takeaways - Brandon T.
- viii. Circle up and close with the serenity prayer - chairperson

f. We would like to ask the COASCNA PR to have a presence to talk to people about the virtual prison panels happening

Outreach Chair report:

Hello family I'm an attic named Matthew. S so grateful to be able to serve this Ohio region as the outreach chair which has enlighten me help me learn about other areas, events, and functions.

This quarter I have been trying to do a lot more visiting other areas by attending their local events. I used to try to visit the area service meeting, which I would get to know people most of them service junkies I didn't get to really be a lot of people in the area so when I go to the vet only do I meet the people of service, but I also get to meet the people of the area which is enlighten me quite a bit.
Wheeling Springfield Waverly

Lancaster wooster tiffen columbus middletown and of course this weekend Piqua and Troy are just a few of the cities that I have been to help commit to unity.

In Wheeling, (WASCNA)I met with the area chair and literature chair and we discussed how their region was helping them or not helping them and I threw the idea that the higher region would welcome them if they weren't getting the support that they feel like they need , and we talked about how my area could help them out with literature.

Springfield (SASCNA)I took a couple Sponcee's to an event they had to fund raise their convention and I got to meet many people that serve for their area and I'm impressed with their unity for a smaller area.

Waverley (SVASCNA) is doing really well. Their unity seems to be strong and they are truly grateful to be able to serve their community and have an area represented at the Ohio region; hats off to them.

Lancaster (MEASCNA) Saint Paddy's Day event went well and Lancaster has a lot of newcomers. They're just willing to be of service and are willing to learn.

The Wooster meeting (WRASCNA) now, was part of Stascna, had a speaker jam event. I had a great lineup of speakers and the event went off without a hitch. Apparently they were unhappy with the service they were getting from their area so they switched. So when I get time, I'm going to dig in to that area and see if I can be of service in the near future.

Tiffin (MOASCNA) had their annual fundraising event for the psychedelic 60s, which is a fundraiser for Ocna. He was well attended and had really good speakers for a smaller widespread area. They are unified and have some dedicated service workers.

COLUMBUS (COASCNA) had an HNI fundraising event which had many members with a lot of clean time share their experience strength and hope, there was quite a few that were dedicated to HNI for multiple decades. Thank you for staying.

I learned quite a bit from having conversations with H and I members.

Middletown (HMACNA) had a fundraising event for their annual serenity in the woods. I didn't get to stay as long as I wanted to however, I did get to spend some money and I'm usually in continuous

contact with them on a regular basis . In further conversation, they are really excited about the hosting of the Ohio convention of narcotics anonymous.

Troy/Piqua (MVASCNA) Friday night meeting went well and I love to see people celebrate clean time. And thank you guys for hosting this weekend. I'm planning on learning and sharing my experiences.

I humbly thank you for allowing me to be of service

Re: Phoneline Report

Date: April 12, 2025

My January report contained a bit of concern that Townhall had not received our contract because of lack of communication from them. However, since then everything has leveled out – as much as it can. Like every other public service organization, Townhall has been deeply affected by recent budget cuts. We have changed contact people twice in these last few months. It seems that our most recent contact person may be in this position for a while, and she is working to learn what we need from her and from her agency.

Although I did send Townhall an updated list of our member Areas and their associated communities, that list did not get incorporated into this quarter's report. She apologized for that and assured the update will be made prior to our July meeting.

There is a new format for the report Townhall submits to us. Rather than breaking calls out on a month-by-month basis, the new format incorporates the data into a single, collective quarterly report. I don't see any problem with this. If anyone believes this is problematic, please let me know, and I will ask Townhall to revert to giving us month-by-month numbers.

The number of calls received was up just slightly. Last quarter we received 102 calls; this quarter we received 115. By far, the largest category of calls was for "other," which I have learned is Townhall's grouping for callers who request resources other than NA meetings, or calls where a caller is in crisis and needs to talk. Our phoneline received 35 such calls this quarter.

That was followed by calls about COASCNA (20), Finally Free and HAMASCNA (8), and Springfield, Scioto Valley, and the Buckeye Region (6). All other areas received 4 or fewer inquiries.

Happy Spring, everyone!

Thank you for the privilege of being of service,

Jo D

Public Relations Chair report:

PUBLIC RELATIONS REPORT

NA OHIO REGION

APRIL 2025

Hello, Family.

Colette S, addict.

I hope everyone is well and recovering.

I. The Public Relations Region has been meeting every month with PR Area Chairs via Zoom. COASCNA and DASCNA have been participating regularly. There are only two other Area PR Chairs that we know of for Ohio Regions 16 Areas. They are GCASCNA and FRASCNA. As far as I know there are no other Area PR Chairs in this Region.

II. Planning for OCN Service Workshops is underway. We meet every other week via Zoom. COASCNA and DASCNA are participating. There are 6 NA members committed to doing the work and showing up. 4 from COASCNA, 1 from DASCNA and myself.

III. We are requesting \$250.00 from the Treasurer today to fund literature and supplies for the OCN PR Workshop and to begin creating a Regional PR Display kit for all Areas to borrow upon request.

- a. Per conversation with previous Regional PR Chair, the location of the previous Regional PR Display kit is unknown.
- b. The OCNA PR Workshop will be at 1:45 pm on Saturday, May 24th in the McCloskey Room on Floor 2. Please make it a point to come! We have a FUN and EXCITING audience participation event planned.

IV. The “Vigorous Steps: PR News & Ideas for the Ohio Region and Beyond” is being posted monthly on the NAOhio PR page. Anyone may submit a contribution to the newsletter about their experience with Public Relations. Please email paul.matherny@gmail.com or pr@naohio.org. A paper copy of the latest newsletter is available for each RCM and Service Body member.

V. Regional Public Relations needs to hear from the RCM's and the Regional Body today whether to go forward with Facebook and Instagram for NA Ohio. Please add this to New Business today?

VI. I'm still recovering and am very grateful for the NA members that are participating in and living the spiritual principles of compassion, empathy, forgiveness and tolerance when my disease shows up.

With Love and Gratitude in Service,

Colette S.

Webmaster report:

Hello ORSCNA family,

Glad to be back in Ohio! Looking forward to a final summer in Ohio before moving back to Phoenix permanently in September. My current term as Webmaster officially ends at the July 2026 RSC meeting. I want to make sure that this body is still OK with me serving out my term remotely after September. There is good news though. Missy L. from HAMASCNA has expressed an interest in becoming Webmaster. She is the current Webmaster for HAMASCNA. I will be nominating her for the Vice-Webmaster position in Old Business. If she is elected, then I can work with her over the next year to make sure she can take over for me once my term is done.

Here are some of the things that were completed over the last quarter:

1. I set up the Spring Retreat registration website and made sure it was functioning properly.
2. I have made several requested updates to the OCNA registration website as needed by the committee.
3. I have talked with Emily T., the H&I Chair, about revamping the H&I page on the NAOhio website.
4. Made backups of all 10 of the websites that we host – NAOhio, BMLT, OCNA, Spring & Fall Retreats, and the 5 subdomains. I plan on doing this every 3 months from now on.
5. I emailed the Host Gator invoices for February, March & April to Nonya.
6. As always, lots of flyer updates, meeting updates, and other requests for changes to the website.

7. I have put together the website statistics for the NAOhio website, the BMLT website, the Spring Retreat website, and the OCNA-41 website. They will be included with the minutes.

If anyone has any flyers or meeting updates, sees any issues with the websites, or has any requests to add/change/remove content, please email webmaster@naohio.org.

Please remind those in your area that are submitting flyers to be posted that there are 4 required items before a flyer will get posted.

1. At least 1 of the registered NA symbols to indicate that it's an NA event.
2. The name of the service body or group that is hosting the event to indicate that it's an official NA event.
3. The full address of the location including city & zip so people not from your area know where the event is.
4. At least 1 contact name and phone number and/or email address so people can contact someone if there are any questions.

Thank you so much for allowing me to serve.

In loving service,
Mark R.
ORSCNA Webmaster

12 Step Retreat Chair report:

Hello family, I'm a grateful recovering addict and my problem is Jesse. I'm beyond grateful to serve this fellowship in every way possible. I'm so excited to let you guys know the first committee meeting for the fall retreat has been set for May 10th at noon at the spring retreat. I only have a couple positions left to fill, but i have no doubt that my higher power will provide the members of NA needed to carry out God's will throughout this event. That being said I'm not going to stress anything at this point and hopefully not at all.

In Loving Service,
Jesse S.

Traditions Retreat Chair report:

Good afternoon!

We are super excited for the upcoming campout a month from now! We had a second fundraiser that brought in \$1470 and are on track to have a great event. The online flyer has a map with a highlighted route that should clear up any confusion. This is the route that the park wants us to take and we will be excessively marking it with reflective signs.

We were notified of fraud issue by the bank. New cards were issued and the bank has refunded the one transaction that went through. Thanks for allowing me to serve!
