Secretary's report: Vice Secretary Present. No report.

Hello Family,

First, I want to apologize for not being with all of you this weekend. As many of you know, I'm competing in the Southwest Regional School Bus Road-E-O, which seems to have become my annual excuse for missing Region. Apparently driving a school bus all week isn't enough, so every now and then I choose to spend a Saturday driving one through an obstacle course while people judge me. Thank God for the gifts of recovery.

Before Region, Betsy and I communicated several times to make sure everything needed on the Secretary side was covered. She has access to the Secretary email and everything necessary to handle the Secretary responsibilities throughout the weekend. I'm incredibly grateful for her willingness to step in for me, and I have complete confidence in her ability to keep things moving while I'm away.

I also want to thank Adam D. for being available as a resource throughout the weekend. Adam will be giving an OCNA Advisory Committee report, and he has served as secretary on enough service bodies over the years to be a tremendous source of experience and knowledge if needed.

When the body gets to Old Business, Betsy will also be giving a report. This is her first time being thrown into some of the Regional Secretary responsibilities on this level, so I would ask everyone to extend her the same patience, love, and support that this body has always extended to me. We were all new in our service positions once, and part of service is giving each other room to learn.

I want to thank everyone who has already submitted reports. Having reports before Region helps tremendously when putting together the minutes and ensures we maintain an accurate record of the work being done throughout our Areas, subcommittees, and trusted servant positions.

If you have not yet submitted a report, please email it to the Secretary at secretary@naohio.org by the end of the day Sunday. If I do not receive your report by then, I cannot guarantee it will be included in the minutes. I love all of you, but I can't put into the minutes a report I never received, and I always try to have the minutes completed by the end of the weekend.

I also plan to join everyone virtually on Sunday morning, so you haven't completely gotten rid of me. Another ongoing priority has been updating our Regional contact list. Betsy has been working on this as well, and we know there have been elections, trusted servant changes, and now the addition of the Northwest Ohio Area to our records. If your Area has updated RCM, RCMA, committee, or trusted servant information, please send those updates to the Secretary email so we can get this list as complete and accurate as possible.

One thing service continues to teach me is that willingness is not about one person doing everything. It's about communication, preparation, trusting the people we serve alongside, and being willing to help one another when life takes one of us somewhere else. This weekend is a pretty good example of that.

Although I'm disappointed I can't be there with all of you, I'm incredibly grateful for the trust this body has placed in me and for the opportunity to serve the Ohio Region. I don't take that responsibility lightly, and I'm grateful to have a Vice Secretary who is willing to step up when I can't be there.

Thank you all for your service and for allowing me to serve. I'll see everyone in January.

In Loving Service,

Ryan A.

BLASCNA Report to ORSCNA 10-03-26

Hello family, my name is Tom, and I am an addict. Currently the RCM for the BLASCNA area. I am here today with our (under review) RCM Alternate, Charles F.

The BLASCNA area is doing well and surviving on group 7th Tradition donations. We currently have 29 meetings in Lucas County and 2 in Fulton County. Two meetings continue as hybrid, live and on Zoom. One new meeting has been added to our meeting

directory, and one meeting has moved in the last three months. We've recently had 8 groups represented at our monthly ASC meeting held at 565 Palmwood, the first Saturday of each month. We purchase monthly about \$600 to \$1500 worth of literature from either the Michigan Regional Service Office or NAWS. Our area meeting is usually on the first Saturday of the month, but this month it is moved to the 2nd Saturday due to a church function. I have brought a donation to the region for \$300.00. Currently the ASC bank balance as of September 1st was \$4345.40. TACNA 27 has begun to have fund raisers so watch the region website for event postings. Our TACNA 27 Chairperson did step down last month, but we should be electing a new Chairperson next week.

Currently, our area still needs a Vice-chair, a Vice-Treasurer, an Activities chair, a PR chair and an Outreach chair. H&I hosts meetings in 3 facilities weekly, with a total of 7 H&I meetings weekly. Phonelines continue to get 3 to 5 calls each week along with a dozen spam calls.

GCASCNA Report October

The Greater Cincinnati Area Service Committee of Narcotics Anonymous (GCASCNA) serves 61 groups hosting 79 weekly meetings. At the August 2026 meeting, 24 groups were present (19 with voting privileges), successfully establishing quorum. The Area is currently seeking nominees for several key

trusted servant positions, including Area Chair, Vice-Treasurer, Hope Line Chair, Literature Review Chair, Activities Chair, and Outreach Chair.

Financially, while the main Area Treasurer report was not submitted, the Abnormal Weenie Jam event generated a total balance of \$4,053.01 and turned over \$2,053.01 in excess funds back to the ASC. Meanwhile, the Hope Line subcommittee is evaluating cost-saving alternatives—such as moving to a \$25/month automated shift system or requesting homegroup sponsorships—to resolve a \$140 monthly operating deficit caused by low usage relative to vendor costs.

Area subcommittees remain active with upcoming events and outreach. Public Relations upgraded the Area's Zoom capability and is coordinating a table at the Overdose Awareness Day event in Washington Park on August 28th. Additional Needs is conducting outreach to local nursing and assisted living facilities. Additionally, the 2026 Convention Committee is progressing with workshop planning and has scheduled two upcoming fundraisers: Young Guns II on September 19th and the Freakers Ball on October 31st. The GCASCNA meets monthly on the third Sunday at the Center for Chemical Addictions in Cincinnati.

Miami Valley Area Service Committee of Narcotics Anonymous
October 2026

Hello Family,

My name is Caleb, and I'm an addict. I am grateful to represent the Miami Valley Area Service Committee of Narcotics Anonymous. Our area serves Darke, Miami, and Shelby counties and currently consists of **18 groups holding 22 meetings.**

We are happy to welcome two groups to our meeting schedule: **Able and Free**, meeting at **121 E. North Street in Sidney, Ohio**, and **Serenity Hour**, meeting at **31 E. Fourth Street in Greenville, Ohio**. Please help us give them a warm welcome by showing up and sharing your support!

Hospitals and Institutions

H&I continues carrying the message of recovery into the Miami County Jail, our only current facility. Men's and women's team's alternate weekly, with six men sharing responsibility for the men's meetings. Efforts to connect with Shelby County have not yet resulted in a rescheduled meeting, and limited participation continues to affect our ability to reach Darke County.

The H&I subcommittee meets on the **third Tuesday of each month, from 6:00 to 6:30 p.m., at First Presbyterian Church in Troy.**

H&I and Public Relations have begun planning a learning day. Additional volunteers are welcome, and the event's date and location will be shared once confirmed.

Treasury:

Item	Amount
Total spending	\$840.19
Donations received	\$274.20
Latest reported main treasury balance	\$1,197.02
Prudent reserve	\$1,500.00
Amount below prudent reserve	\$302.98

Spending exceeded donations by **\$565.99** during this period. Expenses included the PO Box, Public Relations outreach, literature and shipping, facility rent, the area phone line, and secretary supplies.

Activities

The separate Activities account last reported a balance of **\$983.96**.

Our area currently has no Activities Chair, but an ad hoc committee is organizing our upcoming **Gratitude Night**. We would love to see you there, and we welcome support from anyone who would like to help!

Gratitude Night:

November 21, 2026 | 4:00–9:00 p.m.

9411 County Rd. 25A, Piqua, Ohio

Mark your calendar and join us for an evening of gratitude and fellowship.

Literature Distribution

Literature Distribution continues supporting home groups and area services with recovery literature and supplies. **Brandy P. serves as Literature Distribution Chair.**

The main treasury recorded **\$30 for new-group literature** in July and **\$129.27 for a combined literature shipping, H&I, and new-group expense.**

Public Relations

Public Relations, chaired by **Elizabeth S.**, has focused on making recovery information available throughout Darke, Miami, and Shelby counties through literature distribution, community events, and updated meeting information.

Community Outreach

Our Public Relations has confirmed that books have been sent to libraries in all three counties. Earlier reports documented six Basic Texts sent to Shelby County libraries, with donations being gathered for libraries in Darke and Miami counties.

PR had reported sending **13 high-school outreach packages** containing flyers and donated fifth-edition small Basic Texts.

PR also reported successful participation in the **Darke County and Miami County overdose awareness events** and the **Miami County mental health fair**. Volunteers distributed meeting schedules, informational flyers, and bracelets displaying our area’s phone number and website.

Meeting Information and Upcoming Service

Access to the area website was restored, and meeting information was updated earlier in the summer. Printed schedules were also supplied to PR for distribution.

PR’s next shared effort is the **H&I/PR learning day**, with planning meetings at **Trinity Episcopal Church in Troy**.

Our area has held our elections for the following service positions:

In Loving Service,

Caleb L.

NWOASCNA

Family,

NWOASC is alive and well. We are meeting every month and have about 5-6 addicts attend region. All meetings are up to date on the local website and on region website. We are hosting a NA Service learning day on Nov 14th and I have that flyer attached.

In loving service,

Cory H.

PUASCNA

Hello family, I’m an addict called Nichole.

We want to deeply apologize for not attending region for some time. Life has been happening for a lot of our members and some members have not been willing to attend.

With the help of other recovering addicts from surrounding areas, we have been encouraged to attend region once again, and our area has chosen me to come to region for representation.

Our area consists of 7 meetings per week, one meeting daily, and 5 groups. Our meetings see anywhere from 2 to 10 members per meeting, so we are struggling with attendance.

Our area is struggling with members willing to be of service both at the group level and the area level. We have members who hold multiple positions at the group and area level trying

to keep meetings alive and running, as well as at the area level. We no longer have an H&I position, PR position, or Webmaster position at the area level. We are struggling with the community and getting the word out about Narcotics Anonymous in Logan County and letting addicts know that we are here to help them. However, due to some willingness from a couple members, updated meeting schedules have been distributed all over Bellefontaine to facilities where addicts will be able to see them. So, that is a plus! We recently voted in a new Activities Chairperson, and have our first big event in over 2 years happening Saturday December 12th 2026. We will be hosting a NA Community Learning Day where the community can come and learn about Narcotics Anonymous in our area. It will be 1-5pm at the Recovery Zone with speakers, a Q&A addict panel, and free food and resources. I have sent the flyer to the ORSCNA Webmaster and it has been posted on the ORSCNA website. We are also in the works of planning our speaker jam! This will be on March 20th, 2027 at The First Church of God in Bellefontaine, OH. We are still discussing details, so once the details are finalized I will send a flyer to the Webmaster. Our area would love for all your support and attendance to helping us carry the message to the sick and suffering addicts. Any help, suggestions, or words of encouragement for how we can better help the addicts in our area as well as getting members involved in service would be greatly appreciated! Our area will not be making a donation to region at this time. Thank you all for your patience and understanding while we have not been present. We plan to continue to attend regional meetings from here on out. In loving service,
Nichole K.

Report / Summary

Hello Family,

Thank you for allowing me the opportunity to be of service.

The Springfield Area continues to do well overall. Meeting attendance remains consistent, and participation throughout the Area continues to be strong. At our most recent Area meeting, **12 of our 13 groups were represented**, which reflects continued engagement and support throughout the fellowship.

We recently held our annual **Family Picnic on September 13, 2026**. We had a nice turnout, and it was a great opportunity for fellowship, connection, and carrying the message.

We are also pleased to announce that **Myra S. has been voted into the position of Public Relations** for the Springfield Area. We are grateful for her willingness to serve and look forward to the continued work she will do to help carry the message throughout our community.

We are currently in the planning stages for our next Area Convention, which will be held **September 10–12, 2027**. In preparation for the convention, we will be hosting a fundraiser on **November 14, 2026, from 2:00 p.m. to 8:00 p.m.** The fundraiser will be held at **1101 E. High St.** We look forward to the fellowship and support as we continue preparing for the convention.

Thank you again for allowing me to serve. I am grateful for the continued participation and support of the Springfield Area.

Date: October 3, 2026

Happy Pumpkin Spice Season! STACSNA is the Stark, Tuscarawas & Carroll County area. We have meetings in 5 counties, including those already mentioned, as well as Wayne and Summit Counties. We have finally stopped bleeding meetings. For now, we seem to be stable and our existing meetings are experiencing increased attendance. We have 15 groups with 15 weekly meetings, including one virtual meeting.

Our ASC meets on the 2nd Sunday of the month at St. Paul's Episcopal Church in downtown Canton, using a hybrid format. Most of our groups attend during most months. In September, we had 100% attendance.

We have 4 H&I presentations – one at a men’s correctional facility, two at men’s treatment facilities, and one at a co-ed treatment facility.

Although we currently do not have a PR Chair, we have an extremely busy PR calendar – staffing events on an ad hoc basis. In the past 3 months, we attended overdose awareness events in Canton and New Philadelphia, a wellness fair in Canal Fulton, an addiction awareness walk in Wooster, a Safety Council’s Human Resource Fair in Canton, and a 2-day veterans’ resource fair in North Canton. We also met with the Akron Canton Regional Foodbank about putting meeting information in the resource rooms of their headquarters buildings in the various counties they serve.

We have great news in that we have a new Activities chairperson! Kat G from New Philadelphia, who is a self-proclaimed expert in having fun, has taken on this position. We look forward to events she will be putting together.

We also have people expressing willingness to fill our Area Chairperson and Area Secretary positions. Elections for those will be held next week. That leaves us with the following vacancies: Vice Chair, Vice Secretary, RCM-Alt, and PR Chair.

We are encouraged by the building momentum in our Area.

STACSNA did vote to make a \$100 donation to ORSCNA this cycle.

Thank you for the opportunity to be of service.

October 3, 2026 Outreach report to the Ohio region

Hello FAMILY, I'm an addict named Matthew S. always an honor and a privilege to be a part of this Ohio region.

First of all, I wanna shout out to Tom and Caleb for volunteering to help outreach this quarter. So Tom was able to attend two area functions, one was Northwest Ohio NWOASCNA; And the other was the Phoenix United area PUASCNA.

Tom sent me this:

I expected that event Saturday in NWO would've been larger than the one in the Phoenix Area. There was about 30 people at each event. I did run into a newcomer that I thought was dead, hadn't seen or heard from him in 2 years. Not much more info to give you on the NWO area.

The Phoenix area has 6 meetings a week, held in 2 locations for each meeting, 2 churches and 1 recovery center. They have an area meeting every other month (if needed?)

Phoenix area treasurer asked me how to make a donation, they're sitting on a couple hundred dollars. I asked him to come to region or mail it to the PO Box found on naohio.org

Attached to the report as the meeting schedule for NWO and their area service meeting which meets once a month.

Lately I've been in contact with the Phoenix United area. They've been contacting me via messenger, and I have been keeping up with their questions by offering my experience strengthen Hope.

Northwest Ohio area has not reached out much and I have not reached out to them much. This is my busy time of year. Hopefully I can do much better this fall quarter if things slow down right now not looking good. I'm exhausted working seven days a week.

I'm going to find some more volunteers with experience strength and hope to help me visit the northwest Ohio area more often!

And loving service, Mattie, S.

ORSCNA Webmaster Quarterly Report October 2026

Good morning, ORSCNA Family,

I truly appreciate the confidence everyone has placed in me to serve as webmaster. My first quarter was a valuable learning experience and has given me a better understanding of the responsibilities involved.

It has also been a productive quarter. These are some of the tasks completed:

1. I added the April minutes and other documents to the Minutes Archive page. This is a great resource if anyone wants to check whether the minutes have been posted.
2. During the last week of September, I completed backups of all 10 websites and subdomains that we host, including NAOhio, BMLT, OCNA, Spring Retreat, Fall Retreats, and the five subdomains.
3. The BMLT schedules were updated for PUASCNA, SOVASCNA, and STACSNA per each regions request. I also uploaded the files provided by NA World Services to ensure the BMLT system was updated with the most current information.
4. Invoices from July – September were downloaded and sent to the ORSCNA Treasurer and Vice Treasurer.
5. I compiled website statistics for the NAOhio, BMLT, OCNA Spring and Fall Retreat websites. These statistics will be included with the minutes for review.

Report on Yap progress (10/3/2026) (Mark)

I have reviewed 2 other implementations of the Yap-based phoneline – Arizona Region and Carolina Region. I will be starting to install the software in the next couple of weeks. I will start testing with a fake helpline number and I will need to work with TownHall2 to transition our real helpline number before the contract runs out on 12/31/26. We will REALLY need a Phoneline Coordinator before the end of the year so they can set up a group of volunteers to answer the phone calls that come in. It is NOT something the Webmaster should be responsible for. I will take care of any costs for now and will ask for reimbursement in January. We will need to set up some kind of recurring payment like we do with HostGator so we don't ever have any type of outage with the phoneline. You can always reach out if there are any questions – Mark R. – 614-270-1274.

*****Please remind those in your area who are submitting flyers to be posted that there are 4 required items before a flyer will get posted. *****

1. At least one registered NA symbol to clearly identify the event as an NA event.

2. The name of the service body or group hosting the event indicates that it is an official NA event.
3. The complete address of the event location, including the city, state, and ZIP code, so people from outside the local area can easily find the event.
4. At least one contact name and phone number and/or email address so people can contact someone with questions or for additional information.

As always, if anyone has flyers or meeting updates, notices an issue with one of the websites, or would like content added, changed, or removed, please email **webmaster@naohio.org**.

Thank you again for allowing me to serve. I truly appreciate the opportunity and your continued trust and support.

Regional Convention Report

The Ohio Convention of Narcotics Anonymous 43 (OCNA 43) committee held its meeting on September 6, 2026, opening with standard service readings and accepting all executive and subcommittee reports. Recent virtual and local fundraisers, including the Buckeye Bash and Fall into Recovery, were successful,

and joint coordination between programming and fundraising continues. Financial forecasting and subcommittee budget breakouts remain underway.

Updated financial records show that the balance reached \$10,251.45 on September 22, 2026. Following an \$8,000 deposit check written to the host hotel, the balance was reduced to \$2,251.45. With a subsequent \$244 deposit from the September virtual fundraiser, the current balance stands at \$2,495.45. Subcommittees reported active preparation for upcoming events, Addicts Today are more fortunate on October 10 and Halloween Bash on October 22nd. Operational planning for security will resume once venue arrangements are finalized, while additional subcommittees scheduled planning meetings for late September. In new business, the committee approved mileage reimbursement for travel over 60 miles (capped at \$100), approved a proposal for dedicated Cash App accounts for event and convention processing, selected representatives for the September 25 Cleveland convention, and planned participation in the October 31 Ultimate Fundraiser.

During a follow-up online emergency meeting on September 9, 2026, the committee evaluated final venue options based on pricing, space, and parking, officially selecting the Cincinnati Marriott at RiverCenter (10 West Rivercenter Blvd, Covington, KY) for the 2027 convention. The next regular committee meeting is scheduled for Sunday, October 4, 2026, at 5:00 PM.
